

# **MONMOUTHSHIRE COUNTY COUNCIL PAY POLICY 2024**

## **1. INTRODUCTION**

The purpose of a Pay Policy Statement is to increase accountability in relation to payments made to senior employees in the public sector by enabling public scrutiny. Monmouthshire County Council recognises that in the context of managing scarce public resources remuneration at all levels needs to be adequate to secure and retain high quality employees dedicated to the service of the public, but at the same time needs to avoid being unnecessarily generous or excessive.

The publication of a Pay Policy supports Monmouthshire County Council's values of openness and fairness. This policy aims to ensure that all employees are rewarded fairly and without discrimination for the work that they do. It will reflect fairness and equality of opportunity and encourage and enable employees to perform to the best of their ability, operating within a transparent pay and grading structure.

Monmouthshire County Council recognises that pay is not the only means of rewarding and supporting employees and it offers a wider range of benefits, e.g., flexible working, access to learning, and a wide range of family friendly policies and workplace benefits.

It is important that local authorities are able to determine their own pay structures in order to address local priorities and to compete in the local labour market.

In particular, it is recognised that senior management roles in local government are complex and diverse functions in a highly politicised environment where often national and local pressures conflict.

Monmouthshire County Council's ability to continue to attract and retain high calibre leaders capable of delivering this complex agenda, particularly during these times of financial challenge is crucial.

## **2. LEGISLATION**

Under Section 112 of the Local Government Act 1972, the Council has the 'power to appoint officers on such reasonable terms and conditions as the authority thinks fit'. This Pay Policy statement sets out the Council's approach to pay policy in accordance with the requirements of section 38 of the Localism Act 2011.

The Localism Act requires local authorities to develop and make public their pay policy on all aspects of Chief Officers remuneration (including when they cease to hold office), and

that of the 'lowest paid' in the local authority. It also explains the relationship between the remuneration for Chief Officer and other groups of employees. The Act and supporting guidance provides details of matters that must be included in this statutory pay policy, but also emphasises that each local authority has the autonomy to take its own decisions on pay.

The Pay Policy must be approved formally by Council by the end of March each year, but can be amended in year, and must be published on the Monmouthshire County Council's website and must be complied with when setting the terms and conditions for Chief Officers and employees.

In determining the pay and remuneration of all its employees, Monmouthshire County Council will comply with all relevant legislation. This includes the Equality Act 2010, Part Time Employment (Prevention of Less Favourable Treatment) Regulations 2000, Agency Workers Regulations 2010 and where relevant the Transfer of Undertakings (Protection of Earnings) Regulations (TUPE). With regard to the Equal Pay requirements contained within the Equality Act, the Council ensures that all arrangements can be objectively justified through the use of job evaluation techniques.

In its application, this policy seeks to ensure that there is no discrimination against employees either directly or indirectly on grounds prohibited by the Equality Act 2010 which covers age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation This policy is inclusive of partners of the opposite or same sex.

This requires that any qualifying relevant authority that intends to change the remuneration of its Chief Executive must consult the Independent Remuneration Panel for Wales (IRP), unless the change is in keeping with changes applied to other officers. Section 143A also enables the IRP to take a view on anything in the Pay Policy Statement of a local authority that relates to the remuneration of the Chief Executive.

- Educational Inspectors and Advisers
- Educational Psychologists

In addition to the annual pay increase, the Soulbury Committee determines the national salary framework. The Council will pay future pay rises as and when determined in accordance with contractual requirements.

Teachers' Pay Policy – the Teachers pay Policy provides a framework for making decisions on Teachers' pay. It has been developed to comply with the requirements of the School Teachers' Pay and Conditions Document (STPCD) and has been the subject of consultation with teaching trade unions. A model Policy is provided to all schools each year with a recommendation from the Council that the Governing Body adopt it and publishes it on the school's website. The individual basic salaries of all teachers within the scope of the School Teachers Pay & Conditions Document (STPCD) increased by 5% with effect from 1 September 2023. The pay agreement covers the period 1 September 2023 to 31 August 2024.

## **9. INCREMENTAL PROGRESSION**

For employees on JNC terms and conditions of employment, the 'Green Book', incremental progression is automatic. Increments are normally awarded on 1 April each year. Where Chief Officers and Heads of Service have incremental pay grades, progression is normally on 1 April each year.

## **10. RECRUITMENT - SALARY ON APPOINTMENT**

Recruiting and retaining our most talented colleagues is important to us. The Council achieves fair selection through transparent, equitable and non-discriminatory policies and practices that enable the fair treatment of applicants as well as demonstrating a broader commitment to the principles of safeguarding and equality and diversity.

In line with our Recruitment & Selection (Safer Recruitment) Policy, jobs are advertised on the agreed grade/range for that particular job. Information regarding the minimum and maximum pay is provided in the advertisement. In practice, most appointments are made at the bottom of the grade range. However, there is discretion to appoint at a higher point on the range. This would normally only apply if there is a need to match a candidate's current level of pay.

## **11. PAY REVIEW – ALL EMPLOYEES**

All pay is reviewed in line with the national pay awards negotiated for the cost of living increases when these occur.

## **12. MARKET SUPPLEMENTS**

It is recognised that there will be exceptional occasions where the market rate for certain key jobs is higher than that provided for by the new pay and grading structure. In these circumstances, the grading of the post will be reviewed in accordance with the Market Forces Policy.

Monmouthshire County Council has a policy for an additional payment to be made where an employee acts up into a post at a higher level of pay or where they undertake additional duties on a temporary basis. The Honoraria Policy is applicable to all employees (except teaching employees).

#### **16. MULTIPLIERS**

The statutory guidance under the Localism Act recommends the use of pay multiples as a means of measuring the relationship between pay rates across the workforce and that of senior managers, as included within the Hutton 'Review of Fair Pay in the Public Sector' (2010). The Hutton report was asked by Government to explore the case for a fixed limit on dispersion of pay through a requirement that no public sector manager can earn more than 20 times the lowest paid person in the organisation. The report concluded that the relationship to median earnings was a more relevant measure and the Government's Code of Recommended Practice on Data Transparency recommends the publication of the ratio between highest paid salary and the median average salary of the whole of the Local Authority's workforce.

The multiples of pay for Monmouthshire County Council are as follows-

- Multiple between lowest paid FTE employee and CEO is 6:1 (same as previous year)

- Multiple between lowest paid FTE employee and average chief officer is 3:1 (4:1 previous year)
- Multiple between the median FTE employee and CEO is 4:1 (5:1 previous year)
- Multiple between the median FTE employee and the average chief officer is 2:1 (3:1 previous year)

## 17. PAYMENTS/CHARGES AND CONTRIBUTIONS

If employees are eligible, they will automatically become a member of the scheme under the auto enrolment provisions (to join they must have a contract for at least 3 months duration and be under the age of 75).

This is in accordance with our (corporate) Protection of Employment Policy.
- Monmouthshire County Council introduced the real Living Wage (RLW) in April 2014. Monmouthshire County Council isn't accredited for the Living Wage, and it is optional for it to apply any Living Wage pay increases when they arise.

## **19. DECISION MAKING**

Making or confirming the appointment of the Chief Executive and other Chief Officers is a function of Council. Details of exit payments will be approved by the relevant Chief Officer (and Chief Executive for settlement agreements) in consultation with the Cabinet Member and must have robust business cases justifying departure & representing value for money. Any exit payment in excess of £95,000 will be reported to Full Council.

The Policy will be reviewed annually and reported to Council in line with the requirement of the Localism Act 2011. In November 2021, Welsh Government published guidance 'Pay Accountability within Local Government'. When reviewing the Pay Policy for 2024/25, much of the guidance has been taken into consideration.
