Introduction

I have now largely completed my planning work.

This Detailed Audit Plan specifies my statutory responsibilities as your external auditor and to fulfil my obligations under the Code of Audit Practice.

It sets out the work my team intends undertaking to address the audit risks identified and other key areas of focus during 2024.

It also sets out my estimated audit fee, details of my audit team and key dates for delivering my audit team's activities and planned outputs.

Adrian Crompton Auditor General for Wales

Audit of financial statements

I am required to issue a report on your financial statements which includes an opinion on their 'truth and fairness', the proper preparation in accordance with accounting standards and legal requirements.

I will also report by exception on a number of matters which are set out in more detail in our Statement of Responsibilities.

I do not seek to obtain absolute assurance on the truth and fairness of the financial statements and related notes but adopt a concept of materiality. My aim is to identify material misstatements, that is, those that might result in a reader of the accounts being misled. The levels at which I judge such misstatements to be material is set out later in this plan.

There have been no limitations imposed on me in planning the scope of this audit.

Financial statements' materiality

Materiality

Materiality £54,481

Reporting threshold £2,742

My aim is to identify and correct material misstatements, that is, those that might otherwise mislead the user of the accounts.

Materiality is calculated using:

- 2023-24 gross assets of £5.484 million
- Materiality percentage of 1%

I report to those charged with governance any misstatements above a trivial level (set at 5% of materiality).

Areas of specific interest

There are some areas of the accounts that may be of more importance to the user of the accounts, and we have set a lower materiality level for these:

Related party disclosures £5,000

Significant Financial Statements' Risks

Significant risks are identified risks of material misstatement, for which the assessment of inherent risk is close to the upper end of the spectrum of inherent risk, or those which are to be treated as a significant risk in accordance with the requirements of other ISAs. The ISAs require us to focus more attention on these significant risks.

Exhibit 1: significant financial statement risks

| Significant risk | Our planned response |
|--|--|
| The risk of management override of controls is present in all entities. Due to the unpredictable way in which such override could occur, it is viewed as a significant risk [ISA 240.32-33]. | test the appropriateness of journal entries and other adjustments made in preparing the financial statements; review accounting estimates for bias; evaluate the rationale for any significant transactions outside the normal course of business. |

The audit team is yet to conclude all areas of the risk assessment. Should any further significant financial risks arise on completion of this work we will update the S151 officer and the Governance and Audit Committee via its chair and re-issue my Audit Plan if required.

Financial statements' audit timetable

I set out below key dates for delivery of my accounts audit work and planned outputs.

Exhibit 3: key dates for delivery of planned outputs

| Planned output | Work undertaken | Report finalised |
|--|--------------------------|------------------|
| 2024 Detailed Audit Plan | September 2024 | October 2024 |
| Audit of financial statements work: • Audit of Financial Statements Report • Opinion on the Financial Statements | November – December 2024 | January 2025 |

Fee & Audit Team

In January 2024 we published our <u>Fee Scheme</u> for the 2024-25 year as approved by the Senedd Finance Committee. My fee rates for 2024-25 have increased by an average of 6.4%, as a result of unavoidable inflationary pressures and the ongoing need to invest in audit quality.

I estimate your total audit fee will be £8,000.

Planning will be ongoing, and changes to my programme of audit work, and therefore my fee, may be required if any key new risks emerge. I shall make no changes without first discussing them with the S151 Officer.

Our financial audit fee is based on the following assumptions:

- The agreed audit deliverables set out the expected working paper requirements to support the financial statements and include timescales and responsibilities.
- No matters of significance, other than as summarised in this plan, are identified during the audit.

Exhibit 4: breakdown of audit fee

| Audit area | Proposed fee for 2024 (£)1 | Actual fee for 2023 (£) | |
|-------------------------------|----------------------------|-------------------------|--|
| Audit of Financial Statements | 8,000 | 7,518 | |

¹ The fees shown in this document are exclusive of VAT, which is not charged to you.

Fee & Audit Team

The main members of my team, together with their contact details, are summarised in **Exhibit 5**.

Audit quality

Our commitment to audit quality in Audit Wales is absolute. We believe that audit quality is about getting things right first time.

We use a three lines of assurance model to demonstrate how we achieve this. We have established an Audit Quality Committee to co-ordinate and oversee those arrangements. We subject our work to independent scrutiny by QAD*, and our Chair acts as a link to our Board on audit quality. For more information see our <u>Audit Quality Report 2023</u>.

Our People

The first line of assurance is formed by our staff and management who are individually and collectively responsible for achieving the standards of audit quality to which we aspire.

- · Selection of right team
- · Use of specialists
- · Supervisions and review

Arrangements for achieving audit quality

The second line of assurance is formed by the policies, tools, learning & development, guidance, and leadership we provide to our staff to support them in achieving those standards of audit quality.

- Audit platform
- Ethics
- Guidance
- Culture
- · Learning and development
- Leadership
- · Technical support

Independent assurance

The third line of assurance is formed by those activities that provide independent assurance over the effectiveness of the first two lines of assurance.

- EQCRs
- Themed reviews
- Cold reviews
- · Root cause analysis
- · Peer review
- · Audit Quality Committee
- · External monitoring
- * QAD is the quality monitoring arm of ICAEW.
