The quorum for the Taxi and Regulatory sub-committee is two. Every effort will be made to maintain the sub-committee at three members present when dealing with an application but there will inevitably be some circumstances where a member is unable to attend at the last

minute and a substitute cannot be found or a member part way through needs to declare an interest and withdraw from the hearing. In accordance with our Standing Orders, the chairman will have a casting vote. The Taxi and Regulatory Committee needs to be politically balanced.

Members serving on the Taxi and Regulatory Sub-committee will be drawn in rotation from the whole of the Taxi and Regulatory Committee. This will allow each member an equal opportunity to contribute to the work of the Committee and will hopefully ensure a fairness to members in the demands being made on them to sit.

The chair and vice-chair of the Taxi and Regulatory Committee are not automatically on the Taxi and Regulatory sub-committee but will be part of the normal rotation.

The current restriction within Standing Orders which prohibits a meeting sitting for longer than four hours be removed from applying to the Taxi and Regulatory Committee or its subcommittee, subject to a requirement on the Committee or Sub-committee to take appropriate breaks so as to ensure the comfort of those participating in the meeting.
