

Action List for Public Services Scrutiny Committee

Meeting:	10 th February 2025	
Minute:		Officer / Member
6	Work Programme Discussion Summary: The Scrutiny Manager highlighted the need for additional special meetings to accommodate a discussion with the Police and Crime Commissioner on police resources for the county. <u>Health Board Topics:</u> There is an extensive list of topics for discussion with the Aneurin Bevan University Health Board. Some topics might be covered via briefing papers, while others, like adult mental health and dementia services, may require special meetings. Vaccination Services: Concerns were raised about the availability of vaccination services in certain areas, suggesting the need for a more consistent approach. This would be raised with the health board via the updates already requested. <u>Flood Risk:</u> Members of this committee will be invited to attend Place Scrutiny Committee when it is discussed.
