(OFF STREET PARKING PLACES) ORDER

The decision was taken, amongst other things, to draft a proposed new car park order that reflected the findings and recommendations of the report. Any decision taken to introduce a proposed new car park order requires that it be made available for public consultation for a minimum period of 28 days. The outcome of this public consultation exercise and any recommendations for further amendments to the order will be reported to the Council's Economy and Development Select Committee for scrutiny and subsequently to the Council's Cabinet at some time in the future.

The detail of the changes to the order is described below, in the notice of making a permanent order and in the car park schedule which should be read in conjunction with this document. However the intention is to create extra parking and some free parking, reflecting the priorities in each community, and to fund these changes and improvements through adjustments to the current car park charges .

The proposed Order will amend and consolidate certain of the provisions contained in the Monmouthshire County Council (Off Street Parking Places) Order 1996 as previously amended by the Monmouthshire County Council (Off Street Parking Places) (Amendment No.1) Order 2001 and (Amendment No.2) Order 2010.
