Town and Country Planning Act 1990 – Section 257
Proposed Public Path Diversion Order
Public Footpath No. 7 (part), Caerwent

Please delete as appropriate:

I have no comments to make in respect of the proposed diversion.

My comments are attached.

My comments are:

I object to altering this footpath.
It is a very ancient path which links Sheffield Lane diagonally
to Caerwent Church. That is how footpaths were set up so that
you could walk the shortest distance to where you wanted to go.

[REDACTED]
is the Churchyard so this path has always meant a lot to me.

[REDACTED]
When people buy a field knowing there is a footpath they must
expect to change it to suit themselves.

I also object very strongly that Mr Connolly is making it impossible
for anyone to feel safe walking the path at the moment. There is a
kettling in the field and a carer pointing at the stile.
It would be a good idea for one of your staff to visit unannounced
to see the situation for yourselves.
