Integrated Impact Assessment Template

(incorporating Equalities, Socio-economic Duty, Future Generations, Welsh Language Measures, Corporate Parenting)

Name of the Officer completing the evaluation Debra Hill-Howells Phone no: 01633 644281 E-mail: debrahill-howells@monmouthshire.gov.uk	Please give a brief description of the aims of the proposal To note the Monmouthshire Local Area Energy Plan produced by ARUPS on behalf of the Welsh Government.
Name of Service area Infrastructure	Date 3 rd September 2025

1. **Are your proposals going to affect any people or groups of people with protected characteristics?** Please explain the impact, the evidence you have used and any action you are taking below.

<u>Protected Characteristics</u>	Describe any positive impacts your proposal has on the protected characteristic	Describe any negative impacts your proposal has on the protected characteristic	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts?
Age <i>Consider the impact on our community in relation to age, e.g. how do we engage with older and younger people about our services, access issues etc. Also consider what issues there are for employment and training.</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members.	None identified	The CCR has developed a Regional Investment Prospectus to attract private sector investment to support the deliverability of the 10 LA LEAPS within the Region. The Welsh Government are developing a National Energy Plan

<u>Protected Characteristics</u>	Describe any positive impacts your proposal has on the protected characteristic	Describe any negative impacts your proposal has on the protected characteristic	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts?
Disability <i>Consider the impact and what issues there are around each of the disability needs groups e.g. access to buildings/services, how we provide services and the way we do this; producing information in alternative formats, employment issues etc.</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members.	None identified	The CCR has developed a Regional Investment Prosectus to attract private sector investment to support the deliverability of the 10 LA LEAPS within the Region. The Welsh Government are developing a National Energy Plan
Gender reassignment <i>Consider the provision of inclusive services for transgender people and groups. Also consider what issues there are for employment and training.</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members.	None identified	The CCR has developed a Regional Investment Prosectus to attract private sector investment to support the deliverability of the 10 LA LEAPS within the Region. Welsh Government are developing a National Energy Plan
Marriage or civil partnership <i>Same-sex couples registered as civil partners have the same rights as married couples and must be provided with the same benefits, such as survivor pensions, flexible working, maternity/paternity pay and healthcare insurance. Consider the impact of your proposal on these rights.</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members.	None identified	The CCR has developed a Regional Investment Prosectus to attract private sector investment to support the deliverability of the 10 LA LEAPS within the Region. Welsh Government are developing a National Energy Plan

<u>Protected Characteristics</u>	Describe any positive impacts your proposal has on the protected characteristic	Describe any negative impacts your proposal has on the protected characteristic	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts?
Pregnancy or maternity <i>A woman is protected from discrimination during her pregnancy, maternity leave and 26 weeks from the day she gives birth. Including the provision of services, goods and facilities and recreational or training facilities. Consider the impact of your proposal on these protections.</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members.	None identified	The CCR has developed a Regional Investment Prosectus to attract private sector investment to support the deliverability of the 10 LA LEAPS within the Region. Welsh Government are developing a National Energy Plan
Race <i>What will the proposal do to promote race equality with the aim of eliminating unlawful discrimination, promoting equality of opportunity and promoting good relations between different racial groups. Think about the potential to affect racial groups differently. Possible issues include providing translation/interpreting services, cultural issues and customs, access to services, issues relating to Asylum Seeker, Refugee, Gypsy & Traveler, migrant communities and recording of racist incidents etc.</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members.	None identified	The CCR has developed a Regional Investment Prosectus to attract private sector investment to support the deliverability of the 10 LA LEAPS within the Region. Welsh Government are developing a National Energy Plan
Religion or Belief <i>Consider the impact e.g. dietary issues, religious holidays or days associated with religious observance, cultural issues and customs. Also consider what issues there are for employment and training.</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. 2. The Socio-economic Duty

The Socio-economic Duty requires public bodies to have due regard to the need to reduce inequalities of outcome which result from socio-economic disadvantage when taking key decisions.

Socio-economic disadvantage can be defined as living in less favorable social and economic circumstances than others in society. It also includes social justice, which is about reducing inequalities by working towards more equal distribution of wealth and opportunities so everyone can achieve their full potential.

Consider how the proposal could affect the following vulnerable groups:

Armed Forces Community (including veterans)

Students

People who have experienced the asylum system

Single parents

People living in the most deprived areas

People involved in the criminal justice system

Vulnerable families

Pensioners

Single adult households

Homeless People

Carers

People misusing substances

<u>Socio-economic Duty</u>	Describe any positive impacts your proposal has in respect of people suffering socio economic disadvantage	Describe any negative impacts your proposal has in respect of people suffering from socio economic disadvantage.	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts in relation to the Socio-economic disadvantage?
<i>Think of what evidence you have about socio-economic disadvantage and inequalities of outcome in relation to this proposal. Will it impact disproportionately on certain groups? Can the proposals be improved to reduce inequalities of outcome?</i>	None identified	None identified	None identified

3. Policy making and the Welsh language

What are the effects that the proposals would have on the Welsh language, specifically on opportunities for people to use Welsh and on treating the Welsh language no less favourably than English? How could positive effects be increased, or negative effects be mitigated? Explain how you believe the proposals could be improved so as to have positive effects or increased positive effects on opportunities for people to use the Welsh language and on treating the Welsh language no less favourably than the English language.

How does your proposal impact on the following aspects of the Council's Welsh Language Standards:	Describe the positive impacts of this proposal	Describe the negative impacts of this proposal	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts
Policy Making: <i>Consider what impact this policy decision will have on the Welsh Language. This includes opportunities for people to use the language, opportunities to promote the language and treating the language no less favourably than the English language. Include any data and evidence e.g. WESP, Census Data, Cymraeg 2050, Welsh Language Strategy.</i>	None identified	None identified	This does not involve the adoption of a plan or policy but rather the noting of a document produced by third party consultants on behalf of Welsh Government. The plan proposes physical interventions to decarbonise the energy network by 2050.
Operational: Recruitment & Training of workforce <i>Carefully consider whether vacant posts require Welsh language skills as a desirable or essential skill. This is especially pertinent with front line roles as more than 10 % of the population of Monmouthshire speak Welsh. Also, when assessing the need for Welsh language skills keep in mind the existing Welsh language skills within the workforce. In service areas where there is a current lack of Welsh language skills, posts should be advertised as Welsh language essential. Additionally, consider where further training may be needed to increase the number of staff who can speak Welsh and to enhance the skills of current Welsh speakers.</i>	n/a	n/a	This does not involve the adoption of a plan or policy but rather the noting of a document produced by third party consultants on behalf of Welsh Government. 4. Does your proposal deliver any of the well-being goals below? Please explain the impact (positive and negative) you expect, together with suggestions of how to mitigate negative impacts or better contribute to the goal. There's no need to put something in every box if it is not relevant!

<u>Well Being Goals</u>	Describe the positive impacts the proposal has on the wellbeing goal.	Describe the negative impacts the proposal has on the wellbeing goal.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
A prosperous Wales <i>An innovative, productive and low carbon society which recognises global limits and uses resources efficiently (including acting on climate change); a skilled and well-educated population in an economy which generates wealth and provides jobs.</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members.	None identified	This does not involve the adoption of a plan or policy but rather the noting of a document produced by third party consultants on behalf of Welsh Government. The plan proposes physical interventions to decarbonise the energy network by 2050
A resilient Wales <i>Maintains and enhances a biodiverse natural environment with healthy functioning ecosystems that support social, economic and ecological resilience and the capacity to adapt to change (for example climate change).</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members.	None identified	This does not involve the adoption of a plan or policy but rather the noting of a document produced by third party consultants on behalf of Welsh Government. The plan proposes physical interventions to decarbonise the energy network by 2050
A healthier Wales <i>People's physical and mental well-being is maximised and in which choices and behaviours that benefit future health are understood.</i>	None identified	None identified	n/a

<u>Well Being Goals</u>	Describe the positive impacts the proposal has on the wellbeing goal.	Describe the negative impacts the proposal has on the wellbeing goal.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
A Wales of cohesive communities <i>Communities are attractive, viable, safe and well connected</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members	None identified	This does not involve the adoption of a plan or policy but rather the noting of a document produced by third party consultants on behalf of Welsh Government. The plan proposes physical interventions to decarbonise the energy network by 2050
A globally responsible Wales <i>Taking account of impact on global well-being when considering local social, economic and environmental wellbeing</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members	None identified	This does not involve the adoption of a plan or policy but rather the noting of a document produced by third party consultants on behalf of Welsh Government. The plan proposes physical interventions to decarbonise the energy network by 2050
A Wales of vibrant culture and thriving Welsh language <i>Promotes and protects culture, heritage and the Welsh language, and participation in the arts, and sports and recreation</i>	None identified	None identified	n/a
A more equal Wales <i>People can fulfil their potential no matter what their background or circumstances. (This includes the protected characteristics listed in Section 1 above. You can add more detail there. Don't forget to think about the impacts on poverty)</i>	The Local Area Energy Plan is not a Council document but a plan illustrating the actions that could be taken to achieve a net zero energy system for the wider County. The proposals to decarbonise energy will have positive impacts for all community members	None identified	This does not involve the adoption of a plan or policy but rather the noting of a document produced by third party consultants on behalf of Welsh Government. The plan proposes physical interventions to decarbonise the energy network by 2050

5. How has your proposal embedded and prioritised the sustainable governance principles in its development?

6. Council has agreed the need to consider the impact its decisions has on the following important responsibilities: Corporate Parenting, Care Leavers, Care Experienced People and Safeguarding. Are your proposals going to affect any of these responsibilities?

	Describe any positive impacts your proposal has	Describe any negative impacts your proposal has	What will you do/ have you done to mitigate any negative impacts or better contribute to positive impacts?
<u>Safeguarding</u> <i>Safeguarding in this context applies to children (not yet reached 18th birthday) and adult at risk (identified as a person over the age of 18 and who (a) is experiencing or is at risk of abuse or neglect, (b) has needs for care and support (whether or not the authority is meeting any of those needs), and (c) as a result of those needs is unable to protect himself or herself against the abuse or neglect or the risk of it.) Safeguarding is about ensuring that everything is in place to promote the well-being of children and adults at risk, preventing them from being harmed and protecting those who are at risk of abuse and neglect.</i>	None identified	None identified	n/a

<p><u>Corporate Parenting, Care Leavers and Care Experienced People</u></p> <p><i>This relates to those children who are 'looked after' by the Local Authority either through voluntary arrangements with their parents or through a Court Order. The Council has a corporate duty to consider 'children who are looked after especially and to promote their welfare (in a way, as though those children were their own). It also relates to care experienced people (people who have spent time in care when they were under 18 years old). The Council must consider how to help overcome the disadvantages and discrimination they experience.</i></p>	None identified	None identified	n/a

7. What evidence and data has informed the development of your proposal?

This will include your baseline position, measures and studies that have informed your thinking and the recommendation you are making. It should allow you to identify whether any changes resulting from the implementation of the recommendation have had a positive or negative effect. Key strategies and documents that may help you include: Community and Corporate Plan, Asset Management Strategy, Digital and Data Strategy, Medium Term Financial Strategy, People Strategy, Socially Responsible Procurement Strategy: [Enabling Strategies](#) See Guidance for more examples.

The plan has been produced by ARUP who have relied on a number of datasets to support their modelling and resulting proposals.

The plan is not a Council plan or strategy and considers the wider interventions necessary to decarbonise energy within the County. The Council will be one of a number of key stakeholders who will have a role in decarbonising the energy network.

8. SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?

This section should summarise the key issues arising from the evaluation. This summary must be included in the Committee Report Template

The proposal does not involve the adoption of a plan or strategy, but the noting of a third party report commissioned by Welsh Government. No changes are proposed.

9. ACTIONS: As a result of completing this form are there any further actions you will be undertaking? Please detail them below, if applicable.

What are you going to do?	When are you going to do it?	Who is responsible?
