Guidance

This Representations Register provides a copy of the duly made representations that were received to the Deposit Replacement Local Development Plan (RLDP) public consultation that took place from 4th November 2024 to 16th December 2024. It has been published in accordance with Regulation 19 of the Town and Country Planning (Local Development Plan) (Wales) Regulations 2005.

This Register is a factual compilation of the comments received, with the necessary redactions made where relevant.

Due to the sheer number of representations received (approximately 4,000 individual responses), this Register is split across 24 volumes.

- Volumes 1 – 17 contain representations submitted by Private Individuals
- Volume 18 contains representations submitted as Petitions
- Volumes 19 & 20 contain representations submitted by Site Promoters/Developers
- Volume 21 contains representations submitted Other Stakeholders
- Volume 22 contains representations submitted by Organisations
- Volume 23 contains representations submitted by County Councillors
- Volume 24 contains representations submitted by Statutory Consultees

An index list of representors is provided overleaf. This is listed in alphabetical order under each volume category. Once you have found your name you will see your representor number and the volume number in which your full representation, as submitted, is shown. The representor number and volume numbers can then be used to locate your representations in the Representations Register.

If you cannot find your representor number, please contact Monmouthshire's Planning Policy Team, who will assist you – telephone 01633 644429 or email planningpolicy@monmouthshire.gov.uk
