

## Appendix 2

### PLAN ON A PAGE

Here's a one-page summary of the detailed Plan that follows:

#### Purpose

Monmouthshire is the birthplace of British tourism and now we're shaping its future.

**Our guiding purpose:** to become a blueprint for next generation regenerative rural destinations. The most inspiring, connected and welcoming place in Wales to stay, invest and live.

#### Ambition 2030

By 2030 we want to be Wales's stand-out rural destination. A place of imaginative experiences and characterful places to eat, drink, and stay – rich in sense of place. We'll celebrate Monmouthshire's creative energy: encouraging the next generation to get inspired, get involved, and shape the future.

#### Aim

We'll bring vibrancy to our high streets, adventure to our landscapes, and confidence to our communities through more and better tourism that celebrates and enriches our quality of life.

#### Objectives

Economic growth	Improved infrastructure	Vibrant culture	Enhanced experiences	Environmental protection
Economic growth. More private sector investment.	Sense of arrival. Better basics.	Community participation. Improved civic pride.	Signature experiences. Keynote places to stay.	Improved visitor awareness & behaviour. Public transport use.

Visitor, business and resident satisfaction with tourism.

#### Future Growth Markets: Wider UK and International Markets

Local residents, including families and young people.	Independent Explorers from within 2hrs – encouraging longer-stays.	New visitor markets from across the UK and beyond, including younger cohorts.
