Well Being Goal	How does the proposal contribute to this goal? (positive and negative)	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<p><b>A prosperous Wales</b> Efficient use of resources, skilled, educated people, generates wealth, provides jobs</p>	<p><b>Positive:</b> An efficient development management process is underpinned by a high degree of officer delegation to ensure timely decisions on planning applications and enforcement of planning control are made that can provide economic investment and growth, and can protect acknowledged interests such as local amenity and townscape. In addition, this provides the capacity for Planning Committee to scrutinise and decide larger scale or more contentious proposals that have a strategic dimension or are of more than localised concern.</p>	<p><b>Better contribute to positive impacts:</b> The changes proposed in the report reflect new legislation introduced by Welsh Government that will work most effectively where delegation is provided to officers, enabling timely additional enforcement powers to be used, as well as reflecting changes to the titles of officers who have responsibility for pursuing such action.</p> <p><b>Mitigate any negative impacts:</b> Where necessary, the scheme of delegation allows for consultation with the elected Members of the Council's</p>

<p><b>A healthier Wales</b> People's physical and mental wellbeing is maximized and health impacts are understood</p>	<p><b>Positive:</b> The revised scheme of delegation would speed up the making of planning decisions and the pursuit of appropriate enforcement action, which could improve Monmouthshire citizens' access to local services, such as shops and health facilities, or prevent inappropriate development from harming the amenity of an area, or indeed the health of local people.</p> <p><b>Negative:</b> None identified.</p>	<p><b>Better contribute to positive impacts:</b> The approval and delivery of development proposals can have a positive impact on health and well-being and foster social and community pride, while taking enforcement action can stop harm occurring which can lead to negative well-being impacts.</p> <p><b>Mitigate any negative impacts:</b> None</p>
<p><b>A Wales of cohesive communities</b> Communities are attractive, viable, safe and well connected</p>	<p><b>Positive:</b> The area of work undertaken by the planning section directly and indirectly influences the appearance, viability, safety and connectivity of communities via planning policy, land use planning decisions and via enforcement action. Making such decisions in a timely fashion would assist in achieving this well-being goal.</p>	<p><b>Better contribute to positive impacts:</b> The timely approval and delivery of sustainable development proposals can have a positive impact on the character and appearance of an area, promote well-being and foster social and community pride, while taking appropriate enforcement action can</p>

## 2. How has your proposal embedded and prioritised the sustainable governance principles in its development?

Sustainable Development Principle	How does your proposal demonstrate you have met this principle?	What has been done to better to meet this principle?
 <p>Balancing short term need with long term and planning for the future</p>	<p><i>We are required to look beyond the usual short term timescales for financial planning and political cycles and instead plan with the longer term in mind (i.e. 20+ years)</i></p> <p>The LDP covers the period 2011-21. The development management function which makes planning decisions seeks to implement the policies of the LDP. By its nature, therefore, it cannot look beyond the next five year period but the SA/SEA of the LDP would have ensured consideration of the impact on future generations.</p>	<p>Ensure that the LDP and its policies have been subject to an appropriate level of scrutiny</p>
 <p>Working together with other partners to deliver objectives</p>	<p>The revised scheme of delegation has been subject to consultation with Members of Planning Committee, whose Members have a specific interest in the subject, as well as senior officers of the Council.</p>	<p>Any observations offered by Committee have been taken into account as part of the single cabinet member approval process.</p>

The changes are proposed via legislative changes introduced by Welsh Government through The Planning (Wales) Act 2015. 6. **SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?**

*This section should give the key issues arising from the evaluation which will be included in the Committee report template.*
