

## **Children & Young People Select Committee Portfolio Position Statement Outturn (2015-16)**

**APPENDIX 5**

### **CYP DIRECTOR'S COMMENTARY**

The Directorate's outturn position is an under spend of £87,000; this is an improvement of £226,000 compared to Quarter 3. Taking into account requests to and from reserves, the position adjusts to reflect an over spend of £24,000, therefore resulting in a positive variance of £115,000 compared to Quarter 3. Given the challenging budget settlement, this is a very pleasing result indeed. The youth service is a volatile area having been subject to a £200,000 savings mandate. The over spend for the youth service is £116,000, which is £5,000 more than anticipated at Quarter 3. It is pleasing to note that the Additional Learning Needs service is underspent by £298,000, again an improvement of £168,000 since Quarter 3, due to higher rates of recoupment and decreased costs of placements out of county.

### **SCH DIRECTOR'S COMMENTARY**

The overall outturn position for the directorate is £1.2m after reserve funding adjustments, in line with our month 9 predictions.

In relation to Children's Services, after adjusting for the YOS budget overspend of £57K to be reserve funding, the amended outturn overspend is £1,431m, a variance of £67K on month 9.

In January 2016, Cabinet approved a 3 year service and financial plan. A further £1 million for 2016/17 has been invested in children's services reflecting a 3 year programme to modernise the workforce, practice and commission. This was based on projected number of looked after children as at November 2015. Numbers within the looked after system have continued to rise to year end and the major contributor to the overspend position is the external placement budget of £1.038m. At the start of the year, stood at 106 but closed at 130, an increase of 24. A commissioning strategy (and workforce and practice improvement plans) will be brought forward to the next CYP Select Committee which will also update progress on the business cases approved In May 2015.

Children & Young People Service Area	Overspend £000's	Underspend £000's	Actual Movement Mth's 9 to Outturn (Positive)/ Negative £000's	Commentary on Outturn
<b>STANDARDS</b>				
Additional Learning Needs		298	(168)	The outturn position against the contingency budget equated to an overspend of £105k. This was £40k more than anticipated at month 9 due to the award of SAPRA funding to schools late in the Spring term. Additional savings of £140k for out of county placements and an increased level in recoupment income of £68k in comparison to month 9 explain the net positive variance of £168k.

Primary Breakfast Initiative Grant	57		2	Take up continues to increase and therefore resulting in additional staffing requirements.
Early Years		45	0	Reduced distribution of funding for non-maintained settings (as per month 9).
Collaborative Arrangements		43	(5)	Contributions to joint services part-refunded due to underspends by host LA's.
ALN Management	42		42	A restructure in ALN as per the report taken to Cabinet meeting on 26 <sup>th</sup> March 2016 has resulted in a cost to the directorate – a request to fund this from reserves has been agreed.
<b>ISB</b>				
ISB	129		14	This includes an underspend against invest to redesign reserve funding of £49k - a request has been submitted to slip this funding into 16-17 to support the work that is ongoing. As it was assumed at month 9 that this reserve would be fully spent, the actual variance to outturn therefore equates to £63k. This is due to higher than anticipated legal (£8k), transport (£21k) and ICT (£34k) costs.
<b>RESOURCES</b>				
Support Services	83		14	Costs of health and safety assessments for pupils have resulted in an increased overspend in this area in comparison to the month 9 forecast. In addition, the final recovery board costs have resulted in a small further increase in the overspend reported at month 9.
Service Level Agreements		158	(148)	A request has been made to transfer £104k of the underspend for the sickness and maternity compensation schemes to a new reserve to safeguard against any potential overspends in future, given the volatility of the costs involved to the Authority. The costs of this premature retirement compensation are not known to the directorate until year end. Due to the nature of the remaining liability, it is likely that the cost will continue to reduce marginally on an annual basis.
<b>YOUTH</b>				
Community Education Youth General	116		5	Small negative variance to month 9 due to the further delay in commencement of ESF funded project. This has now begun in April 2016.

<b>CHILDRENS SERVICES</b>				
Fostering Allowances and Payments For Skills	150		6	Reflects financial support to the current number and age mix of children in foster care and skills payments to carers with SGO's
Younger People's Accommodation		(72)	(6)	A vast amount of work has been undertaken in this budget over the past two years to deliver, at present, an underspend.
Ty'r Enfys		(52)	0	This facility has remained closed for the entire year. In 2016/17 this budget has been used to deliver an alternative service.
Counsel Costs	111		93	Significant Barrister / Solicitor costs incurred that were unexpected within 2015-16 at M9
Therapeutic Service		(26)	2	Under spend due to part vacant Play Therapist post.
External Placements - LAC	1,038		(56)	Outturn activity resulted in 71 placements compared to 70 at month 9. We are seeing a full year effect of placements that only entered the system in the latter part of last year.
External Placement - Non-LAC		(96)	0	This budget needs to be considered in conjunction with External Placements - LAC
SCYP - Placement & Support Team	150		28	Mainly due to use of agency staff
SCYP - Supporting Children & Young People Team	250		18	Use of agency staff and increased child transport costs
Disabled Children	84		(7)	Large part of overspend relates to the continued use of agency staff to cover sickness.
Other		18	64	See Appendices 5 and 6 for further detail

### 3. SCHOOLS

3.1 Each of the Authority's Schools is directly governed by a Board of Governors, which is responsible for managing the school's finances. However, the Authority also holds a key responsibility for monitoring the overall financial performance of schools. Below is a table showing the outturn forecast Schools' balances position.

3.1.2 School balances at the beginning of the financial year amounted to £1,140,000. The Schools budgeted draw upon balances was £620,000 for 2015/16, however at outturn the actual position saw an increase in balances overall of £16,000, therefore leaving £1,156,000 as closing reserve balances.

3.1.3 Within these summary figures, of particular note, is the deficit reserve position forecasted for the Chepstow Cluster. Chepstow Comprehensive School have a recovery plan in place, however at outturn the result is an increase in the deficit for the school, as reported at month 9. This is due to the contribution to redundancy costs that the school has incurred and additional water rates. The recovery plan is currently being reviewed and given the predicted increase in number of pupils on roll this deficit will still be met over the duration of the plan.

3.1.4 Five schools exhibited a deficit position at the start of 2015/16; Llanvihangel Crucorney, Castle Park, Chepstow Comprehensive, Llandogo and Mounton House Special School. Of these five schools, the following three have seen an increase in their deficit at outturn and their balances are as follows: Chepstow School (£414,066) due to water charges and an increase in exam fees; Llanvihangel Crucorney (£23,605) as a result of having to employ an additional teacher due to increased pupil numbers; and Mounton House Special School (£154,854), due to significant staffing changes and

a delay in grant funding through the ESF project. The other two schools have seen a decrease in their deficit balance. One additional school, Overmonnow Primary, is now also exhibiting a deficit (£19,101), taking the total number of schools in a deficit position to six at the end of 2015/16.

3.1.5. Schools balances are exhibiting a fluctuating trend with some schools showing a continuing reduction in schools balances which is of concern and others a more balanced trend.

<b>Financial Year-end</b>	<b>Net level of School Balances</b>
2011-12	(965)
2012-13	(1,240)
2013-14	(988)
2014-15	(1,140)
2015-16	(1,156)

3.1.6 There has been a significant reliance on reserve balances to supplement school spending plans in the last 4 years across individual schools with a certain amount of replenishment. As a rough guide, prior to 2010, Welsh Government advocated that school balance levels equated to no more than £50,000 for a primary school and £100,000 for a secondary school. Members may wish to seek a comfort that balances aren't being used to subsidise and sustain core costs such as staffing.

3.1.7 Individual School Balances are available in Appendix 14 CYP School Select.
