5. What evidence and data has informed the development of your proposal?

Feedback from the Wales Audit Office on our preparedness for the Wellbeing of Future Generation Act suggested that a clear and consistent understanding across the Council on what sustainable development means is essential. The development of a new Sustainable Development policy which is consistent with the Act, and its adoption into the Council's Policy Framework is a key part of this process which sets out clearly what Sustainable Development means to the Council.

6. SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?

The aim of the Sustainable Development policy is to clearly set out the well-being goals and sustainable development principles to ensure these are embedded in all areas of the council's work.

7. ACTIONS: As a result of completing this form are there any further actions you will be undertaking? Please detail them below, if applicable.
