Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<p>A prosperous Wales Efficient use of resources, skilled, educated people, generates wealth, provides jobs</p>	<p>The positive impact is the event is one of the largest events of its kind in the world.</p> <p>The start and finish of the event at Cardiff does take away from the other Local Authorities opportunities to largely benefit from the event.</p>	<p>An early decision made to host the event through Monmouthshire and to continue to host the event for the remaining 3 years of the contract.</p> <p>To take on board Monmouthshire's recommendations identified in the event debrief.</p>

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<p>A resilient Wales Maintain and enhance biodiversity and ecosystems that support resilience and can adapt to change (e.g. climate change)</p>		
<p>A healthier Wales People's physical and mental wellbeing is maximized and health impacts are understood</p>	<p>To better use the event at a local level to encourage children, young people and families to engage in cycling.</p>	<p>Work could be undertaken, as part of the Active Travel consultation, within the locality, to link the benefits of walking and cycling to the prestigious annual event.</p> <p>A commitment from the organisers, to deliver a series of community events, engaging local schools and communities.</p>
<p>A Wales of cohesive communities Communities are attractive, viable, safe and well connected</p>	<p>The event travelling through the county emphasis the unique offer and work is being undertaken to promote return visits, especially from first time visitors.</p>	<p>A detailed ROI report provided and shared by the organisers with Council and local communities.</p>
<p>A globally responsible Wales Taking account of impact on global well-being when considering local social, economic and environmental wellbeing</p>	<p>The wider aspects of the event encourages support from rider families, supports and local communities to come together to make the most of the event. The pro race does attract the top domestic riders and coverage is repeated on T.V (Eurosport).</p>	<p>An early decision will give the organisers scope to deliver a number of messages to communities, Wales and the world.</p>
<p>A Wales of vibrant culture and thriving Welsh language Culture, heritage and Welsh language are promoted and protected. People</p>	<p>Monmouthshire, renowned for its cycling culture and history enhances the overall route. The climb at the Tumble has been named in the top</p>	<p>An early decision will give the organisers scope to deliver a number of messages to communities, Wales and the world.</p>

Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
are encouraged to do sport, art and recreation	10 mountain climbs in the world (Cycling weekly article, 2014).	As well as communicating with communities on access. There organisers needs an event marketing strategy, demonstrating local unique selling points.
<p>A more equal Wales People can fulfil their potential no matter what their background or circumstances</p>	<p><i>This includes the protected characteristics of age, disability, gender reassignment, race, religion or beliefs, gender, sexual orientation, marriage or civil partnership, pregnancy or maternity</i></p> <p>The event is aimed at pro's and very active individuals. There is a separate children and junior race series. The potential engagement with local communities, to make the best of the road closures and major event could benefit everyone.</p>	<p>An early decision will give the organisers scope to deliver a number of messages to communities, Wales and the world.</p> <p>As well as communicating with communities on access. 2. How has your proposal embedded and prioritised the sustainable governance principles in its development?

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why.	Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts?
 <p>Balancing short term need with long term and planning for the future</p> <p>Long Term</p>	<p><i>We are required to look beyond the usual short term timescales for financial planning and political cycles and instead plan with the longer term in mind (guidance says at least 10 years, but preferably 25).</i></p> <p>An early decision made to host the event through Monmouthshire and to continue to host the event for the remaining 3 years of the contract.</p> <p>An early decision will give the organisers scope to deliver a number of messages to communities, Wales and the world.</p>	<p>To take on board Monmouthshire's recommendations identified in the event debrief.</p> <p>To continual review the route, feedback and learn each year.</p>
 <p>Working together with other partners to deliver objectives</p> <p>Collaboration</p>	<p>A new governance structure was implemented by WAG to oversee the delivery of the 2016 event which included a Steering Group made up of representatives of the host Local Authorities, blue light services and governing bodies together with the event organisers.</p>	<p>A detailed debrief was undertaken on 2016 and each local authority had the opportunity to input local feedback.</p> <p>A detailed proposal of Velothon 2017 shared with colleagues and communicated widely will enable buy-in to the event.</p>
 <p>Involving those with an interest and seeking their views</p> <p>Involvement</p>	<p><i>Who are the stakeholders who will be affected by your proposal? Have they been involved? Do those people reflect the diversity of the area which is served?</i></p> <p>An internal debrief was gathered and fed into the overall event debrief. The event will publish a report for Velothon 2016.</p>	<p>Communicate the Velothon 2016 report widely and key officers and members having the opportunity to challenge the report.</p> <p>Demonstrate a balance of the report to local communities.</p>

Sustainable Development Principle	Does your proposal demonstrate you have met this principle? If yes, describe how. If not explain why.	Are there any additional actions to be taken to mitigate any negative impacts or better contribute to positive impacts?
 <p>Prevention</p> <p>Putting resources into preventing problems occurring or getting worse</p>		
 <p>Integration</p> <p>Considering impact on all wellbeing goals together and on other bodies</p>	<p><i>There is space to describe impacts on people, economy and environment under the Wellbeing Goals above, so instead focus here on how you will better integrate them and balance any competing impacts. Also think about impacts the proposal may have on other organisations..</i></p>	

3. Are your proposals going to affect any people or groups of people with protected characteristics? Please explain the impact, the evidence you have used and any action you are taking below. For more detailed information on the protected characteristics, the Equality Act 2010 and the Welsh Language Standards that apply to Monmouthshire Council please follow this link:<http://hub/corporatedocs/Equalities/Forms/AllItems.aspx> or contact Alan Burkitt on 01633 644010 or alanburkitt@monmouthshire.gov.uk

Protected Characteristics	Describe any positive impacts your proposal has on the protected characteristic	Describe any negative impacts your proposal has on the protected characteristic	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts?
Age	<p><i>Consider the impact on our community in relation to this e.g. how do we engage with older and younger people about our services, access issues etc. Also consider what issues there are for employment and training.</i></p>	<p>Due to the road closure over a number of hours (most of the day), some areas are 'land locked'.</p>	<p>Access to blue light services at all times.</p> <p>Arranged access for care agencies to carry out their normal duties.</p> <p>Local emergency access points. Where local people can get in and out.</p> <p>Share information as early as possible, with houses based on the route.</p>
Disability	<p><i>What issues are there are around each of the disability needs groups e.g. access to buildings/services, how we provide services and the way we do this, producing information in alternative formats, employment issues.</i></p> <p>No impact.</p>		
Gender reassignment	<p><i>Consider the provision of inclusive services for Transgender people and groups. Also consider what issues there are for employment and training.</i></p> <p>No impact.</p>		
Marriage or civil partnership	<p><i>Same-sex couples who register as civil partners have the same rights as married couples in employment and must be provided with the same benefits available to married couples, such as survivor pensions, flexible working, maternity/paternity pay and healthcare insurance</i></p> <p>No impact.</p>		

Protected Characteristics	Describe any positive impacts your proposal has on the protected characteristic	Describe any negative impacts your proposal has on the protected characteristic	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts?
Pregnancy or maternity	<p><i>In employment a woman is protected from discrimination during the period of her pregnancy and during any period of compulsory or additional maternity leave. In the provision of services, good and facilities, recreational or training facilities, a woman is protected from discrimination during the period of her pregnancy and the period of 26 weeks beginning with the day on which she gives birth</i></p> <p>No impact.</p>		
Race	<p><i>Think about what the proposal will do to promote race equality with the aim of: eliminating unlawful discrimination, promoting equality of opportunity and promoting good relations between persons of different racial groups. Also think about the potential to affect racial groups differently. Issues to look at include providing translation/interpreting services, cultural issues and customs, access to services, issues relating to Asylum Seeker, Refugee, Gypsy & Traveller, migrant communities and recording of racist incidents etc.</i></p> <p>No impact.</p>		
Religion or Belief	<p><i>What the likely impact is e.g. dietary issues, religious holidays or days associated with religious observance, cultural issues and customs. Also consider what issues there are for employment and training.</i></p> <p>No impact.</p>		

Protected Characteristics	Describe any positive impacts your proposal has on the protected characteristic	Describe any negative impacts your proposal has on the protected characteristic	What has been/will be done to mitigate any negative impacts or better contribute to positive impacts?
Sex	<p><i>Consider what issues there are for men and women e.g. equal pay, responsibilities for dependents, issues for carers, access to training, employment issues. Will this impact disproportionately on one group more than another</i></p> <p>No impact.</p>		
Sexual Orientation	<p><i>Consider the provision of inclusive services for e.g. older and younger people from the Lesbian, Gay and Bi-sexual communities. Also consider what issues there are for employment and training.</i></p> <p>No impact.</p>		
Welsh Language	<p><i>Under the Welsh Language measure of 2011, we need to be considering Welsh Language in signage, documentation, posters, language skills etc. and also the requirement to promote the language.</i></p> <p>All information for the event is bilingual. Coverage of the event was undertaken by S4C.</p>		

4. Council has agreed the need to consider the impact its decisions has on important responsibilities of Corporate Parenting and safeguarding. Are your proposals going to affect either of these responsibilities? For more information please see the guidance <http://hub/corporatedocs/Democratic%20Services/Safeguarding%20Guidance.docx> and for more on Monmouthshire's Corporate Parenting Strategy see <http://hub/corporatedocs/SitePages/Corporate%20Parenting%20Strategy.aspx>

	Describe any positive impacts your proposal has on safeguarding and corporate parenting	Describe any negative impacts your proposal has on safeguarding and corporate parenting	What will you do/ have you done to mitigate any negative impacts or better contribute to positive impacts?
Safeguarding	<i>Safeguarding in this context applies to both children (not yet reached 18th birthday) and vulnerable adults (over 18 who is or may be in need of community care services by reason of mental or other disability, age or illness and who is or may be unable to take care of himself or herself, or unable to protect himself or herself against significant harm or serious exploitation.)</i>	Due to the road closure over a number of hours (most of the day), some areas are 'land locked'.	<p>Access to blue light services at all times.</p> <p>Arranged access for care agencies to carry out their normal duties.</p> <p>Local emergency access points. Where local people can get in and out.</p> <p>Share information as early as possible, with houses based on the route.</p>
Corporate Parenting	<i>This relates to those children who are 'looked after' by the local authority either through a voluntary arrangement with their parents or through a court order. The council has a corporate duty to consider looked after children especially and promote their welfare (in a way, as though those children were their own).</i>	Due to the road closure over a number of hours (most of the day), some areas are 'land locked'.	<p>Access to blue light services at all times.</p> <p>Arranged access for care agencies to carry out their normal duties.</p> <p>Local emergency access points. Where local people can get in and out.</p> <p>Share information as early as possible, with houses based on the route.</p>

5. What evidence and data has informed the development of your proposal?

This will include your baseline position, measures and studies that have informed your thinking and the recommendation you are making. It should allow you to identify whether any changes resulting from the implementation of the recommendation have had a positive or negative effect. Data sources include for example:

- *Quantitative data - data that provides numerical information, e.g. population figures, number of users/non-users*
- *Qualitative data – data that furnishes evidence of people's perception/views of the service/policy, e.g. analysis of complaints, outcomes of focus groups, surveys*
- *Local population data including the census figures*
- *Household survey data*
- *Service User Data e.g. from HEAT, FLO, PLANT, Mayrise, ONE etc*
- *Recommendations from Scrutiny or following consultation*
- *Comparisons with similar policies in other authorities*
- *Academic publications, research reports, consultants' reports, and reports on any consultation with e.g. trade unions or the voluntary and community sectors.*

6. SUMMARY: As a result of completing this form, what are the main positive and negative impacts of your proposal, how have they informed/changed the development of the proposal so far and what will you be doing in future?

This section should give the key issues arising from the evaluation which will be included in the Committee report template.

7. ACTIONS: As a result of completing this form are there any further actions you will be undertaking? Please detail them below, if applicable.

What are you going to do	When are you going to do it?	Who is responsible	Progress

8. MONITORING: The impacts of this proposal will need to be monitored and reviewed. Please specify the date at which you will evaluate the impact, and where you will report the results of the review.

The impacts of this proposal will be evaluated on:

9. VERSION CONTROL: The Future Generations Evaluation should be used at the earliest stages of decision making, and then honed and refined throughout the decision making process. It is important to keep a record of this process so that we can demonstrate how we have considered and built in sustainable development wherever possible.

Version No.	Decision making stage	Date considered	Brief description of any amendments made following consideration
	<i>e.g. budget mandate, DMT, SLT, Scrutiny, Cabinetetc</i>		<i>This will demonstrate how we have considered and built in sustainable development throughout the evolution of a proposal.</i>
