

REPORT

SUBJECT	REVENUE & CAPITAL MONITORING 2016/17 PERIOD 1 OUTTURN FORECAST STATEMENT
DIRECTORATE	Chief Executive's Unit
MEETING	Children & Young People Select Committee
DATE	6th October 2016
DIVISIONS/WARD AFFECTED	All Authority

1. PURPOSE

- 1.1 The purpose of this report is to provide Members with information on the forecast revenue outturn position of the Authority at the end of period 1 which represents month 2 financial information for the 2016/17 financial year. Revenue and Capital forecasting is being brought forward by a month against the usual timescale to provide members with relevant financial information before summer recess.
- 1.2 This report will also be considered by Select Committees as part of their responsibility to,
- assess whether effective budget monitoring is taking place,
 - monitor the extent to which budgets are spent in accordance with agreed budget and policy framework,
 - challenge the reasonableness of projected over or underspends, and
 - monitor the achievement of predicted efficiency gains or progress in relation to savings proposals.

2. RECOMMENDATIONS PROPOSED TO CABINET

- 2.1 That Cabinet notes the extent of forecast revenue overspend at period 1 of £1.37 million
- 2.2 That Cabinet requires Chief Officers to provide information on how the overspend position will be brought back within budget, including alternative plans to deliver the £301,000 mandated savings reported as not achievable in the next monitoring report.
- 2.3 That Cabinet requires Directors to review levels of over and underspends and reallocate budgets to reduce the extent of compensatory positions needing to be reported prior to month 6 reporting.
- 2.4 That Cabinet appreciates the extent of predicted schools reserve usage and the anticipation that 13 schools will be in a deficit position by end of 2016-17.
- 2.5 That Cabinet considers the capital monitoring which exhibits only a small variance to budget as a result of recent Cabinet and Council approval on Caerwent House,
- 2.6 That Cabinet recognises the risk associated with having to rely on a use of capital receipts in the year anticipated and the potential for this to have significant revenue pressures should receipts be delayed and temporary borrowing be required.

3. MONITORING ANALYSIS

3.1 Revenue Position

3.1.1 Revenue budget monitoring information for each directorate's directly managed budgets is provided together with information on corporate areas.

3.1.2 Responsible Financial Officer's Summary of Overall Position Period 1

3.1.3 A comparison of the Net Council fund line against previous years activity indicates the following,

Net Council Fund Surplus	2016-17 £000	2015-16 £000	2014-15 £000
Period 1	1,368 deficit	867 deficit	219 deficit
Period 2		1,066 deficit	116 deficit
Period 3		162 deficit	144 deficit
Outturn		579 surplus	327 surplus

3.1.4 Whilst the expectation is for the trend to show a similarly improving position as the year progresses, the extent of forecast deficit reported as a consequence of this first period is cause for concern, especially in comparison to outturn figures which are only 3 months different and would have absorbed the effect of circa £0.7 million redundancy costs, mandated savings not made of £0.537m and cost pressures in children's social services circa £1.2 million. Since last year, however, £2.8 million has been taken out of the budget as mandated savings. It might therefore be expected that the first forecast of the year would be closer to the budget, rather than the picture shown below.

3.1.5 .

Service	2015-16 Outturn Variance £000	2016-17 Period 1 variance £000	Difference £000
Social Care	1283	1121	(162)
Children & Young People	(86)	416	502

Corporate	(195)	72	267
Net Cost of Services	264	2099	1835

3.1.6 This first forecast is, however, indicative of the fact that it is based on 2 months actual data and 10 months estimated data. Service managers are naturally cautious about forecasting at this stage in the year, especially in areas where spend can be quite volatile. Directorates will be undertaking a piece of work to see if there is scope to move budgets to more accurately reflect where they are needed instead of continuing to report the extent of over or underspends outlined in the detail below. This would allow senior managers and Members to more clearly understand where the real pressures are and focus attention on managing these areas to ensure the overall budget is not exceeded. Once this further work is undertaken, recommendations will be brought back to Cabinet to find alternative savings for mandates and if further decisions are required to bring spending back in line with the budget.

3.1.7 Schools are also forecasting to use most of their reserves by the end of the year. Work is progressing to ensure that grant funding is identified in a timely manner so that this can be factored into the budget forecasts rather than coming it at the end of the year and causing a significant swing on the forecast. Budget management plans for all schools in deficit will be closely monitored to assess feasibility and progress and the need for any other mitigating actions.

3.1.8 In terms of the capital programme this year, it is relying on capital receipts being received in year – this is a risk that needs to be managed. If the capital receipts are not achieved there is the potential that borrowing will be required putting further strain on the revenue budget. In addition the tendered prices on the Future Schools programme are currently being worked through to see how the programme can be maintained within budget.

Analysis of the Revenue budget under and overspending positions in each Directorate.

3.1.9 A summary of main pressures and under spends within the Net Cost of Services Directorates are presented here:

Social Care & Health (SCH)	<p>Director's commentary</p> <p>At this early stage of the year the overall budget position for the directorate is exhibiting a £1.12m overspend.</p> <p>For the Adult Services division, the over spend at month 2 is £462K. We are on track to meet the £640K of mandated savings allocated to this division and are driving on with our practice change agenda.</p> <p>One area which we will further investigate as the year progresses is the Chepstow Community Care team which largely accounts for the divisional overspend. Over the past 12 months the Chepstow team has had pressures in terms of the need for residential placements and usage of approved domiciliary care providers is an additional factor.</p> <p>In terms of Children's Services, this division has a forecast overspend of £690K. As this is very early in the year being month 2, we need to exercise some caution as we know the external placement budget, which for some years has seen large overspends, has reduced demand from 2015/16. As placements in this area are very expensive, one or two placements during the year can see a rapid increase in spend.</p> <p>We are currently embarking on a new Children's Services strategy which will allow us to deal with future demand more effectively, not only from the budget but the outcomes of the child. Another strand is the workforce plan and once in full operation, will see a spend reduction with the withdrawal from the use of agency staffing.</p>

Children & Young People (CYP)	<p>Director's commentary</p> <p>The Directorate's Month 2 position is a forecasted overspend of £416,000, which we are anticipating will fall as we progress through the year. The Youth Service remains a volatile area having been subject to a £200,000 saving mandate in 2015/16 and additional reductions in external grants this year. The ALN budget is also under significant pressure due to the requirement to support more of our pupils with complex needs.</p>				
Psychology Service	21	n/a	21	21	High levels of sickness have resulted in the requirement to bring in additional staff. In addition, new test equipment needed to be purchased for which no budget was originally set.
Additional Learning needs	188	n/a	188	188	The contingency budget is forecasted to overspend by £260,000. This has been offset by a projected saving of £72,000 against Independents and Local Authorities.
Community Education Youth General	207	0	207	207	Significant reduction in external grants (C.£358k) has resulted in a sizeable projected overspend position.. 16-17 income – all we know of is £349k but this includes £90k of ESF, Remaining overspend is due to high income target set in order to compensate for loss of grant.

Enterprise (ENT)	Director's commentary				
	<p>The Directorate continues to respond to significant upheaval during the year with regard to increasing previous and current year mandated saving delivery and re-engineering of services. All of this is happening in tandem with lead responsibility for Future Monmouthshire and so balancing resources to manage today, whilst preparing for tomorrow is a challenge, but equally an opportunity we must continue to vigorously pursue.</p> <p>Commonly outturn forecasts improve during the year, and efforts will continue to be made to that end. But looking forward, continuing cost pressures remain around markets, leisure, museums and culture, and whilst we are generating more income than ever – it remains insufficient in meeting annually uplifted targets. This reflects some of the issues we're experiencing whereby the current service formats, mean we have saturated the markets available to us and without considerable capital investment - it is not feasible to charge premium rates. This position, which will not change as things currently stand, is now a driver underpinning exploration of alternative delivery vehicles and the Future Monmouthshire programme.</p>

	Following the first two months transactions a small overspend is predicted in cleaning and schools catering. Work continues with town and community councils to gain support and funding for toilet cleaning which will assist is recovering the cleaning position and primary sector catering does suffer from variations leading into the Summer period. Often this is recovered in the Autumn and Winter period but officers will be monitoring performance. At this stage in the financial year officers anticipate some typical movement in budgets relating to service demand (waste disposal, recycling, winter maintenance etc.) but do not anticipate such variations placing pressure upon service budgets over the year. However the new SWTRA agreement and the new financial arrangement between the

	lead authorities and SWTRA/WG is presently being developed and this has the potential to have a significant impact upon the budget as the method of cost recovery and the value of works undertaken is eventually agreed. Welsh Government is seeking to reduce the budget overall but at this stage it is not clear what effect this has upon MCC. It will become clearer during the year and the financial impact can be better assessed.

3.2 **SCHOOLS**

3.2.1 Each of the Authority's Schools is directly governed by a Board of Governors, which is responsible for managing the school's finances. However, the Authority also holds a key responsibility for monitoring the overall financial performance of schools. Below is a table showing the outturn forecast Schools' balances position based on month 2 projections.

3.2.2 School balances at the beginning of the financial year amount to £1,156,000. The Schools budgeted draw upon balances is forecasted to be £975,000 for 2016/17, therefore leaving £181,000 as forecasted closing reserve balances. All schools are required to provide final budget statements by 31st May. CYP are, however, still awaiting 2 signed budgets which may result in a change to this budgeted amount. The anticipated draw on reserves as at period 1 is £105,000 more than budgeted, with the key message that 2016-17 likely to effectively eliminate collective school reserves.

3.2.5. This remains a cause for concern, which has been expressed in previous years, but hasn't actually manifest itself as a problem at the year-end due to the receipt of ad-hoc grants by EAS late in the year which supplement/mitigate the year end position.

Financial Year-end	Net level of School Balances
2011-12	(965)
2012-13	(1,240)
2013-14	(988)
2014-15	(1,140)
2015-16	(1,156)
2016-17 Forecast	(76)

CYP colleagues continue to work with EAS to improve the communication process, but ironically that may have an adverse effect on level of reserves needing to be carried forward.

3.2.4 6 schools exhibited a deficit position at the start of 2016/17 it is anticipated this will rise to 13 by end of 2016-17, effectively a third of schools will be in deficit by end of year. Particularly significant volatility is evident at Comprehensive school level with Monmouth not yet having returned its approved budget, King Henry utilising £241,000 reserve and pushing them to a £134,000 deficit, Caldicot utilising £204,000 of their reserve leaving a £5,000 surplus reserve and Chepstow being intent to replenish its reserve by £257,000. In the latter case governors subscribed to a further £56,000 savings during their budget setting consideration to ensure they were back on track with the 2016-17 reserve levels communicated in its original recovery plan.

3.2.7 Individual School Balances are available in Appendix A at the end of this report

3.3 2016/17 Savings Progress

3.3.1 This section monitors the specific savings initiatives and the progress made in delivering them in full by the end of 2016/17 financial year as part of the MTFP budgeting process. .

In summary they are as follows,

2016/17 Mandated Budgeted Savings Progress at Month 2

DIRECTORATE	Specific Savings Initiatives 2016/17 £'s	Savings Identified @ Month 2 £'s	% Progress In Savings Achieved	Delayed Savings to 2017/18 £'s	Savings Unachievable in 2016/17 £'s

Total Budgeted Savings	3,659,000	3,315,000	91%	43,000	301,000

3.3.2 Forecasted mandated savings are currently running at 91%, with currently £301,000 being deemed unachievable at the end of month 2, and a further £43,000 unlikely to crystallise in 2016-17.

3.3.3 The emphasis of reporting savings has changed from previously where savings were reported when they were manifest, however the judgement is now whether saving is forecast to be achieved.

3.3.4 The savings appendix also has a traffic light system to indicate whether savings are likely to be achieved or have reasons explaining the mandates delayed implementation. The following summary of savings mandates are still reported to be high or medium risk.

Children and Young People (CYP)

- Current financial year savings anticipated to be met in full.

Social Care & Health (SCH)

- Current financial year savings anticipated to be met in full.

Enterprise (ENT)

- Mandate A5: Sustainable Energy Initiatives: Expected income targets of £34,000 are unachievable, alternative delivery plan of increased income on property rental portfolio and reduced expenditure on repairs and maintenance proposed
- Mandate B3: Training Services Consolidation: Consolidation of authorities existing training functions and increased revenue streams is only likely to achieve £10,000 of the £50,000 originally reported. Alternative delivery plans are being considered.

- Mandate B5: Community Asset Transfer / Income Generation £160,000: £115,000 is currently unachievable as MCC still in discussions over transfer of Chepstow Drill Hall and Melville Theatre. £45,000 of the £60,000 savings contained within the mandate are forecast to be achieved.
- Mandate B18: Strategic Property Review: £30,000 shortfall identified as £10,000 from failure to achieve Residential Letting Income and £20,000 on the Depot Rationalisation Programme which will take longer than expected.
- Mandate 21: Town & Community Councils: The mandate is currently £60,000 short of the £135,000 in regard to the service collaboration for Tourism (£20k), Museums (£20k) and Community Hubs (£20k). The Museums element is anticipated to be found from revised service levels.

Operations (OPS)

- Mandate 21: Town & Community Councils: The mandate is currently £20,000 short of the £265,000 in regard to the service collaboration for Public Conveniences.

Chief Executive's Office

- Mandate B2: Rationalise Business Support: £22,000 currently being forecast as unachievable, alternative delivery plan will be implemented at month 6 if savings still cannot be found.
- Mandate B11: Senior Leadership Structure Review: Currently £42,700 of the £315,000 mandated savings still to be found. Current structures under review in regard to achieving this further saving.

3.4 Capital Position

3.4.1 The summary Capital position as at month 2 is as follows

MCC CAPITAL BUDGET MONITORING 2016-17 AT MONTH 2 by SELECT COMMITTEE						
CAPITAL BUDGET SELECT PORTFOLIO	Annual Forecast £'000	Slippage Brought / Forward £'000	Total Approved Budget 16/17 £'000	Provisional Capital Slippage to 2017/18 £'000	Revised Capital Budget 2016/17 £'000	Forecasted Capital Expenditure Variance £'000

3.5 Proposed Slippage to 2017-18

3.5.1 The only proposed slippage apparent at month 2 relates to Future Schools initiative, and reflects the latest cash flow profile provided by CYP colleagues.

3.6 Capital Outturn

3.6.1 The only revision to capital programme has been to reflect the changes approved to Caerwent House scheme approved by Cabinet in June meeting, which introduces net £65,000 costs to be afforded from unspecified underspends in capital programme as year progresses.

3.6.2 Whilst schemes are commonly reported as being at breakeven with budget this early in the financial year, past year's activity suggests this prediction is unlikely to be the reality at outturn. The tendered prices on the Future Schools programme are currently being worked through and may result in a capital pressure.

3.7 Capital Financing and Receipts

3.7.1 Given the anticipated capital spending profile reported in para 3.1.1, the following financing mechanisms are expected to be utilised.

MCC CAPITAL FINANCING BUDGET MONITORING 2016-17 AT MONTH 2 By FINANCING CATEGORY

CAPITAL FINANCING SCHEME	Annual Forecast Financing	Slippage Brought / Forward	Total Approved Financing Budget 16/17	Provisional Budget Slippage to 2017/18	Revised Financing Budget 2016/17	Forecasted 2016/17 Capital Financing

3.8 Useable Capital Receipts Available

3.8.1 In the table below, the effect of the changes to the forecast capital receipts on the useable capital receipts balances available to meet future capital commitments is shown. This is also compared to the balances forecast within the 2016/20 MTFP capital budget proposals.

Movement in Available Useable Capital Receipts Forecast

TOTAL RECEIPTS	2016/17	2017/18	2018/19	2019/20
	£000	£000	£000	£000

Deferred capital receipts	4	4	4	4
LESS				
Receipts to be applied	(7,928)	(18,171)	(4,471)	(509)
Set aside	(7,274)	(1,732)	0	0
Predicted Year end receipts balance	11,753	(2,746)	(1,813)	3,182
Financial Planning Assumption 2016/20 MTFP Capital Budget	18,151	6,452	3,985	3,481
Increase / (Decrease) compared to MTFP Capital Receipts Forecast	(6,398)	(9,198)	(5,798)	(298)

3.8.2 The balances forecast to be held at the 31st March each year are lower than forecast in the MTFP, mainly due to the delayed LDP receipts. The difference reduces to virtually nil by March 2020 when all the LDP sites are forecast to have been sold. The table above is artificial in evidencing negative receipts, this wouldn't be the reality, alternative funding sources would need to be utilised when a positive level of receipts expires, and levels of set aside will be reviewed during 2016/17 to ensure the balances held at the 31st March remain positive.

3.8.3 The forecast receipt figure above for 2016/17 includes receipts from the old Abergavenny cattle market site, Coed Glas and the Old County Hall site. However there is an increasingly significant risk to the Council resulting from the need to utilise capital receipts in the same year that they come into the Council. This provides no tolerance or flexibility should the receipts be delayed, which isn't uncommon, and would necessitate compensatory temporary borrowing which is more costly than utilising capital receipts and would necessitate additional revenue savings annually to afford. Much of the capital receipts funding presumptions concerning affording Future schools aspirations are predicated on receiving the cattle market receipt during 2016-17, and at the moment the timing of this material receipt appear a little uncertain.

3.9 Reserve Usage

3.9.1 Revenue and Capital monitoring reflects an approved use of reserves. At this early stage in the year, services assume full reserve usage of amounts previously approved, with the exception of Eisteddfod funding where the Council agreed to underwrite any shortfall in £300,000 community fund raising. Given activity evident in this first period a further £80,000 backstop funding won't be necessary on top of the previous £130,000 fund raising evident at outturn. There is a separate report on the Cabinet agenda relating to a review of earmarked reserves and recommendations for how they are managed going forward.

3.9.2 The following predicted position reflects capital and revenue presumptions evident in period 1 monitoring.
