

SUBJECT: Strategic Risk Assessment 2016

MEETING: Adults Select Committee

DATE: 13th December 2016

DIVISIONS/WARDS AFFECTED: All

1. PURPOSE:

- 1.1 To provide members with an overview of the current strategic risks facing the authority as provided in appendix 1.

2. RECOMMENDATIONS:

- 2.1 That members consider the strategic risks presented for the next three years, in particular those of relevance to the committee and scrutinise the extent to which:

- all relevant risks facing the authority are appropriately captured,
- the level of risk applied is appropriate based on the matrix in the council's risk management policy and guidance (appendix 2) and
- mitigating actions are proportionate and appropriate

- 2.2 That members use the risk assessment on an on-going basis to hold the responsibility holders to account to ensure that risk is being appropriately managed.

- 2.3 Use the risk assessment to inform the future work programme of the committee.

3. KEY ISSUES:

- 3.1 The risk assessment ensures that:

- Strategic risks are identified and monitored by the authority.
- Risk controls are appropriate and proportionate
- Senior managers and elected members systematically review the strategic risks facing the authority.

- 3.2 The existing risks on the Strategic Risk Assessment have been updated based on evidence available in 2016, as presented at Appendix 1. Changes to the council's risk management policy were approved by Cabinet in March 2015 and continue to be applied to the strategic risk register. These are:

- including pre-mitigation and post-mitigation risk scores, this was also a key recommendation from scrutiny of the 2014 risk assessment

- ensuring greater clarity to the phrasing of risk so that each statement includes an event, cause and effect as shown below:

Event	Cause	Effect
Risk of...Failure to...Lack of ...Loss of...Uncertainty of ...Inability to...Delay in...	Because of...Due to...As a result of...	Leads to...and/or... result in...

3.3 The risk assessment only covers high and medium level risks. Lower level operational risks are not registered unless they are projected to escalate within the three years covered. These need to be managed and monitored through teams' service plans. The pre and post mitigation risk levels are presented separately. In most cases mitigating actions result in a change to the likelihood of the risk rather than the consequences as our actions are generally aimed at reducing the chance of a negative event occurring rather than lessening it's impact. Clearly there will be exceptions.

3.4 Following presentation to select committees, the risk assessment will be presented to Cabinet for sign off. The risk assessment is a living document and will evolve over the course of the year as new information comes to light. An up-to-date risk log is accessible to members on the Council's intranet - The Hub. This will ensure, as well as the ongoing specific scrutiny of the risk assessment annually, that select committees are able to re-visit the information at any point in the year to re-prioritise their work plan as appropriate.

4. **REASONS:**

4.1 To provide timely and contributory information to the authority's performance management framework in ensuring that the authority is well-run and is able to contribute to achieving sustainable and resilient communities.

5. **AUTHORS:**

Richard Jones, Policy and Performance Officer
Matthew Gatehouse, Policy and Performance Manager

			Year	Likelihood	Impact	Risk Level			Year	Likelihood	Impact	Risk Level			
1	Potential Risk that: The authority is unable to deliver its political priorities in the future because it does not yet have clarity on its future business model or longer term financial plan.	<p>Work is continuing on the need to address the longer term issue of a reducing resource base as part of the MTFP, there remains a shortfall. At present the outputs from Future Monmouthshire are contributing to 17-18 while the longer-term benefits cannot yet be costed. This means the authority does not have a longer term financial plan and its current business model could become unsustainable in the long term.</p> <p>The council's partnership administration continuance agreement sets clear priorities and performance expectations in line with these resource priorities, this only extends to 2017.</p> <p>The introduction of the Well-being of Future Generations Act requires us to plan on a decadal and generational basis and our current models do not extend to this timeframe.</p> <p>Continued uncertainty on the future direction of local government make it difficult to plan for the long term.</p> <p>Lack of understanding of the future model of the organisation means it is difficult to develop consistent workforce planning, preparing a workforce plan for the authority is a</p>	2016 /17	Unlikely	Major	Low	<p>Approval has been given for the Future Monmouthshire work which will inform the development of a new business model for the council. The budget setting process for 2017/18 has been informed by this work, the process is developing proposals to balance the budget in 17-18 while in the longer term align resources to the future business model once developed.</p> <p>Future Monmouthshire has set a number of guiding principles that has informed the budget setting process to help ensure that any work and decisions that need to be made in the short term can be consistent with ongoing work to establish the medium and long term picture.</p>	<p>To develop and specify the business model for the authority in the long term through the Future Monmouthshire programme.</p> <p>Following the development of the business model ensure the Council's key delivery strategies Improvement Plan, MTFP, People Strategy, Asset Management Plan and iCounty Strategy all align to this model.</p>	2016 /17	Unlikely	Major	Low	Paul Matthews	Peter Fox	All

		proposal for improvement from Wales Audit Office Annual Improvement report 2015.													
2	Potential Risk that: Some services may become financially unsustainable in the short to medium term as a result of reducing budgets and increasing demand	<p>- The effect of the roll forward of the MTFP model, revised assumptions and pressures, a revised gap of £10.5 million over the period of the plan from 2017/18 – 2020/21 at October 2016 (This is a working target until more information becomes available)</p> <p>- This is after a significant period of financial challenges. Over the last four years the council has had to manage a reduction in service budgets of £18.1 million resulting in achieving further savings becoming increasingly more challenging.</p> <p>-The council’s reserves have fallen by £7.5 million over the past 4 years and there is less opportunity to replenish reserve balances as budgets get tighter,</p> <p>- At the same time pressures on the budget have been increasing in terms of demographic growth, demand, contract price inflation and redundancy costs.</p> <p>- A range of services have identified demand for services is increasing including planning, housing and public protection.</p> <p>- A range of services have identified the risk of not complying with legislative changes for example Welsh Language Standards.</p> <p>- An ageing population and complexity of demand in children’s services will place increased pressure on services.</p>	2016/17	Unlikely	Major	Low	<p>In January 2016 Council approved the budget for 2016/17. This included new mandates developed for 2016/17 and mandates that were already in the MTFP.</p> <p>Overall Net Council Fund at month 6 is reporting a £839,000 deficit, this is an improved position against the month 2 position. The deficit at month 6 is also an improvement on the equivalent position last year. This is significantly affected by council tax receipts and treasury improvements. The net cost of services is reporting a 1.36% (£1,966,000) overspend. Social Care & Health is reporting an overspend at month 6 (£1,070,000 million). In social care & health there are recovery plans in place across adults and children’s services, opportunities to seek other funding and use external funding streams where possible are being explored and existing budgets are being reviewed to see how they can be prioritised.</p> <p>Directorates are continuing to review the levels of over and underspends and reallocate budgets to reduce the extent of compensatory positions needing to be reported from month 6 onwards.</p>	<p>- Ensure that services deliver within the budgets and deliver savings targets - Monitor progress against existing mandates that are part of the MTFP and report progress to Cabinet and Select Committee quarterly.</p> <p>- All services to model savings for 2017-18 based on an updated process aligned to Future Monmouthshire</p> <p>- Ensure that the detailed business cases that will deliver the budget proposals are fully costed, stress-tested and managed</p> <p>- Consider how best to use capacity fund and any external funding sources to supplement the change programme required</p> <p>- Review contractual arrangements to balance stability, value for money & risk</p> <p>- Implement a three year service and financial plan in children’s services to ensure the service is able to deliver a balanced budget and continue to develop workforce practice.</p> <p>- Continued identification of pressures, including an assessment of any ongoing pressures in the current year’s budget. These will be rigorously reviewed and challenged.</p> <p>- Continue to Implement the income generation strategy. Use the ideas listed in the appendix to the income generation</p>	2016/17	Unlikely	Major	Low	Joy Robson	Phil Murphy	All

		Management and IT published in 2016 did not produce any statutory recommendations but have produced a number of proposals for improvement.													
5a	Potential for significant harm to vulnerable children or adults due to factors outside our control.	- The likelihood of this occurring in a given year is low. However the significant harm that can occur due to factors that are outside our control mean that this will always be a risk. - Volunteering is increasingly part of meeting community needs and it is important to have consistency across the LA in the use of volunteers particularly in respect of HR practices and training.	2015 /16	Possible	Major	Medium	We have strengthened our safeguarding arrangements in both Adults and Children’s Services. The Head of Children’s Services has now been given clear responsibility for safeguarding and this has been incorporated into her title from July 2016. Similarly safeguarding has been added to the role title of the Cabinet member. We have raised awareness of safeguarding across the authority and its partners. We have Implemented a quality assurance framework (SAFE - Self-Assessment Framework for Evaluation) A number of the authority’s most senior officers have been placed on the Safeguarding Group.	- Continually monitor and evaluate process and practice and review accountability for safeguarding - Deliver actions set in service plans for POVA and Safeguarding - Ensure that robust systems are in place within the authority to respond to any concerns arising from allegations or organised abuse - Implement second phase of the SAFE process - Drive the strategic agenda and the associated programme of activities for safeguarding through the Corporate Coordinating Group including undertaking a second review of safeguarding policy and continuing to promote and review safe recruitment practices. - Ensure safeguarding is reflected in all council service improvement plans and in roles / responsibilities as appropriate.	2015 /16	Possible	Major	Medium	Jane Rodgers / Julie Boothroyd	Liz Hackett Pain Geoff Burrows	CYP Adults
5b	Potential for significant harm to vulnerable children or adults due to failure of services and/or partners to act accountably for safeguarding

							national model resulting in more appropriate challenge and support to schools to drive up standards in leadership and performance								
7a	Revised risk: Potential Risk that: Schools do not have the necessary ICT infrastructure meaning they are unable to maximise their offer to learner’s needs.	Schools and the EAS depend on reliable equipment and support from the SRS to implement systems for pupil tracking and to meet curriculum needs. Some schools do not have the ICT infrastructure to support these systems fully.	2016 /17 2017 /18 2018 /19	Possible Possible Possible	Substantial Substantial Substantial	Medium Medium Medium	A comprehensive Service Level Agreement with the SRS and schools commenced in April 2016. The council has approved a business case for £885,000 of investment in schools ICT infrastructure. The first phase of the investment programme is due for completion by March 2017, behind the original schedule due to further cabinet and council approval required to proceed with the investment as not all schools had signed up to the SLA. Phase 2 of the investment programme, migration of schools data and information storage, has already commenced with several schools already migrated to the SRS. Schools with the oldest servers have been prioritised.	Finish the implementation phase 1 of the ICT in schools improvements, upgrading equipment and infrastructure as well as implementing SIMS in the classroom. Complete Phase 2 of the investment - the migration of school based server infrastructure up to the SRS over an 18 month period.	2016 /17 2017 /18 2018 /19	Possible Possible Unlikely	Substantial Substantial Substantial	Medium Medium Low	Peter Davies	Bob Greenland Liz Hackett Pain	Economy and Development
7b	Potential Risk that: Insufficient ICT infrastructure and skills in the county have the potential to lead to social and economic disadvantages	-It is likely that 4-6% of our most rural areas will not be impacted by the roll out of Superfast broadband A significant skills issue exists in the County. 19% of households don’t have internet access and 20% (approximately 14,363) adults in Monmouthshire don’t use the internet ¹ .	2016 /17 2017 /18 2018 /19	Likely Likely Likely	Substantial Substantial Substantial	Medium Medium Medium	A collaboration with the UK Government and AB Internet to enable next generation superfast wireless broadband services to the remaining 4-6% of the County's broadband’ not spots’ has been undertaken but legacy issues still remain. The project was originally targeted at 1696 properties but three sites had to be de-scoped due to project time constraints reducing the total	-Deliver the I County digital road map which has three main areas of focus: 1) internal systems, processes, data and infrastructure 2) community, economic, business and education dimensions 3) opportunities for commercialisation	2016 /17 2017 /18 2018 /19	Likely Likely Possible	Substantial Substantial Substantial	Medium Medium Medium	Cath Fallon	Bob Greenland	Economy and Development

							aims to support and enable volunteers.								
9b	Potential Risk that: Not having appropriate governance mechanisms when establishing new collaborative or alternative delivery models that are often complex could impact on our shared ability to deliver objectives.	The Council works collaboratively to deliver a variety of services and is increasingly considering alternative delivery models to sustain services for example for Leisure, Tourism, Culture and Youth Services. These models are often complex and have many risks and challenges. A 2016 Governance study by Wales Audit Office concluded that ‘the Council has made progress in improving its governance arrangements although more work is needed to strengthen the transparency of decision making and recording’ A 2016 IT study by Wales Audit Office made a proposal for improvement that the council needs to ‘Negotiate and agree commercial grade Service Level Agreements with SRS in advance of new organisations joining the partnership to support sound governance, and to enable the Council to measure service delivery, and assure itself that its IT needs continue to be met.’	2016/17	Possible	Substantial	Medium	An independent option appraisal for Leisure, Tourism, Culture and Youth Services has been completed, cabinet approved the next stage of the project to develop a full Business Case and to continue the staff, community and service user consultation process. WAO Proposals for improvement on the Council’s existing governance arrangements continue to be addressed. An action plan has been established to address the Wales Audit Office proposals from the IT study.	Complete and present the full business case on Leisure, Tourism, Culture and Youth Services for further consideration by Members. Continue to implement actions to address the proposals for improvement identified by Wales Audit Office Complete the development of a commercial grade Service Level Agreement with SRS, which will need agreement with all partners.	2016/17	Possible	Substantial	Medium	Will McLean / Peter Davies	Peter Fox Bob Greenland	Audit committee
10	Potential Risk that: The current configuration of the recycling service becomes unviable	Monmouthshire does not currently collect recycling in line with the preferred Welsh Government method.	2016/17	Unlikely	Mode rate	Low	A pressure mandate was accepted by Council to fund £1.2million pressures in the MTFP over 2016/17 and 2017/18 due to an Increase in recycling costs, the Welsh Government grant	To complete the recycling review report to determine the Council’s long term recycling strategy with cabinet approval in March 2017.	2016/17	Unlikely	Mode rate	Low	Rachel Jowitt	Bryan Jones	Strong Communities

	because of legislation requirements and financial constraints.	<p>Long term uncertainty over Welsh Government funding and future costs of the service.</p> <p>The Welsh Government grant was cut by 6.4% and is due to be cut by a further 7% in 2017/18.</p>	2018/19	Likely	Substantial	Medium	<p>reduction and growth in waste tonnages.</p> <p>The recycling review is currently undertaking a trial and will report by March 2017 with a view to setting a long term financial model for the service as well as demonstrating legislative compliance.</p> <p>On-going liaison with Welsh Government on the Environmental Grant funding, its importance to the service and positive impact it makes on the long term strategy.</p>	To continue to liaise with Welsh Government on Environmental Grant funding.	2018/19	unlikely	Substantial	Low			
11 new	<p>Potential Risk that:</p> <p>Political, legislative and financial uncertainty for council services and local businesses as a result of Britain leaving the European Union.</p>	<p>The vote to leave the EU has caused political uncertainty that could impact on local government financial settlements if further austerity is required. This could also impact on regional projects such as the City Deal further compounded by political changes in Westminster.</p> <p>Many council services are governed by EU legislation or follow EU led policy, for example procurement rules. There will be uncertainty while the process for extricating the UK from this law is established.</p> <p>Expectations of further austerity and a subsequent fall off in inward investment and growth while restrictions on labour mobility could impact on local firms;</p>	2016/17	Almost Certain	substantial	High	<p>The Council already has an established Medium Term financial plan to model financial assumptions and scenarios for planning future service budgets.</p> <p>The Council has established working relationships with key partners, such as the Welsh Government, the WLGA and treasury advisers to work with in understanding the impact on Council services.</p>	<p>Many of the negotiations and decisions on Britain leaving the EU are outside of the council's control, given this and the current uncertainty the post mitigation risk levels have not been assessed to change.</p> <p>Actions we will be taking include: Continued liaison and work with partners such as Welsh Government, WLGA and treasury advisers to understand and plan for any implications.</p> <p>Continue to refine and update the Medium Term Financial Planning model and assumptions for future service budgets.</p>	2016/17	Almost Certain	substantial	High	Senior Leadership team	All	<p>Economy and Development</p> <p>Strong Communities</p>
