Well Being Goal	Does the proposal contribute to this goal? Describe the positive and negative impacts.	What actions have been/will be taken to mitigate any negative impacts or better contribute to positive impacts?
<b>A prosperous Wales</b> Efficient use of resources, skilled, educated people, generates wealth, provides jobs	MCC currently pay some individuals travel expenses as part of a care package. This policy will support people towards independent travel, including paying for their own transport costs or making their own arrangements where they have the means and/or capability to do. Social services arranging transport can create dependency rather than enabling independence which is our purpose.	This policy will ensure that there is equity around the application of determining how transport costs are paid and to whom
<b>A resilient Wales</b> Maintain and enhance biodiversity and ecosystems that support resilience and can adapt to change (e.g. climate change)	No impact

<p><b>A globally responsible Wales</b> Taking account of impact on global well-being when considering local social, economic and environmental wellbeing</p>	<p>No impact</p>	
<p><b>A Wales of vibrant culture and thriving Welsh language</b> Culture, heritage and Welsh language are promoted and protected. People are encouraged to do sport, art and recreation</p>	<p>No impact</p>
