

Annex 7 Nannies

Summary of Childcare Provision by Nannies

There are currently no nannies in Monmouthshire registered through the voluntary approval scheme and the nanny agencies we have contacted do not have any nannies listed for Monmouthshire. In addition, there are no nannies advertising through our Family Information Service; therefore, we are unable to complete this annex.

Number of Parents Using Nannies

One parent is currently using a nanny to provide full day care for her 2 year old twins in the Caldicot area on a part time basis; they also attend playgroup for one afternoon a week to socialise with other children their age.

Another parent in the Monmouth area employs a nanny on a full time basis to provide half time care for a child aged 12-18 months, two children aged 4 years and two children aged between 5 and 7 whilst she undertakes voluntary work.
