

## **Council and Cabinet Business – Forward Plan**

Monmouthshire County Council is required to publish a Forward Plan of all key decisions to be taken in the following four months in advance and to update quarterly. The Council has decided to extend the plan to twelve months in advance, and to update it on a monthly basis.

Council and Cabinet agendas will only consider decisions that have been placed on the planner by the beginning of the preceding month, unless the item can be demonstrated to be urgent business
