# **MONMOUTHSHIRE COUNTY COUNCIL** **CORPORATE SAFEGUARDING POLICY**

## **1. INTRODUCTION**

**Safeguarding children and adults at risk from abuse is everybody's responsibility.**

Monmouthshire County Council (the Council) is committed to ensuring that people living in the County are safe and protected and that its statutory duties to safeguard and protect children, young people and adults at risk are discharged.

For the purposes of this policy, children and young people are defined as anyone who has not yet reached their 18th birthday. This does not exclude a young person who is 16 years of age in Further Education, or a member of the Armed Forces, in hospital, in a young offender's institution, or in prison.

An adult at risk is defined as an adult who is experiencing, or who is at risk of, abuse or neglect, has needs for care and support (whether or not the Council is meeting any of those needs), and as a result of those needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

The Council's workforce shares a responsibility, both collectively and individually, to ensure that children and adults at risk are protected from harm. Council employees, Councillors, volunteers and contractors who come into contact with children or adults at risk in the course of their duties are expected to understand their responsibility and where necessary take action to safeguard and promote the welfare of vulnerable people.

## **2. SCOPE**

For the purposes of this policy 'workforce' is defined as those engaged by the Council, including permanent and temporary employees, students, volunteers, workers employed by employment agencies, contractors and consultants.

The policy covers the whole workforce and Councillors, and whilst all have varied levels of contact with children, young people and adults at risk everybody should be aware of potential indicators of neglect and abuse and be clear about what to do if they have concerns.

## **3. OBJECTIVES**

The policy provides a framework which ensures that policies and practices within the Council are consistent and in line with stated values, which must underpin all work with children, young people and adults at risk.

The intention of this policy is to support quality service delivery, promote good practice and ensure services are delivered in a way that children, young people and adults at risk are safe from harm and are allowed to fulfil their potential and live the lives they want to live.

This policy is intended to be enabling; to ensure that all parts of the Council understand how to put effective safeguards in place. This is a policy for a positive, preventative and proactive approach to safeguarding. The policy must be owned and implemented across the Council and promoted in wider communities. The policy is intended as an enabler of a positive culture of proactively identifying, mitigating, managing and removing risks to safety, whilst ensuring decisive and timely action to address serious concerns.

# **MONMOUTHSHIRE COUNTY COUNCIL** **CORPORATE SAFEGUARDING POLICY**

## **4. PRINCIPLES OF THE POLICY**

This policy is underpinned by the Council's vision to build sustainable and resilient communities and the 4 wellbeing objectives:

- To develop opportunities for communities and businesses to ensure a well-connected and thriving county
- Maximise the benefits of the natural and built environment for the well-being of current and future generations
- Maximise the potential in our communities to improve wellbeing for people throughout the course of their life
- Provide children and young people with the best possible start in life to help them achieve better outcomes

There is an expectation that all of the workforce, Councillors and partners share an objective to help keep children, young people and adults at risk safe by contributing to:

- Creating and maintaining a safe environment
- Identifying where there are concerns and taking action to address them in partnership with other agencies
- Prevent unsuitable people from working with children, young people and adults at risk
- Ensure the whole workforce understands safeguarding and their accountabilities and responsibilities
- Promote safe practice and challenge poor and unsafe practice

The policy sets out a preventive approach which ensures safeguards are proactively put in place to prevent abuse and neglect occurring

The Council requires a competent workforce of individuals who are able to identify instances in which there are grounds for concern about the welfare of a child or adult and initiate or take appropriate action to keep them safe.

The policy requires effective partnership working between all those involved with providing services for children, young people and adults at risk.

## **5. LEGISLATIVE CONTEXT**

The Council remains committed to the 1945 Declaration of Human Rights, the UN Convention on the Rights of a Child, as well as the United Nation's Principals for Older People.

The Care Quality Commission 2014 defined Safeguarding as "protecting individual's health, wellbeing and human rights, and enabling them to live free from harm, abuse and neglect."

The Social Services and Well-being (Wales) Act (2014) (SSWBA) aims to strengthen and build on existing safeguarding practice in Wales to ensure that people are able to live their lives to the full. There is a new overarching duty to promote the well-being of people who need care and support together with an emphasis on shared responsibility and partnership working.

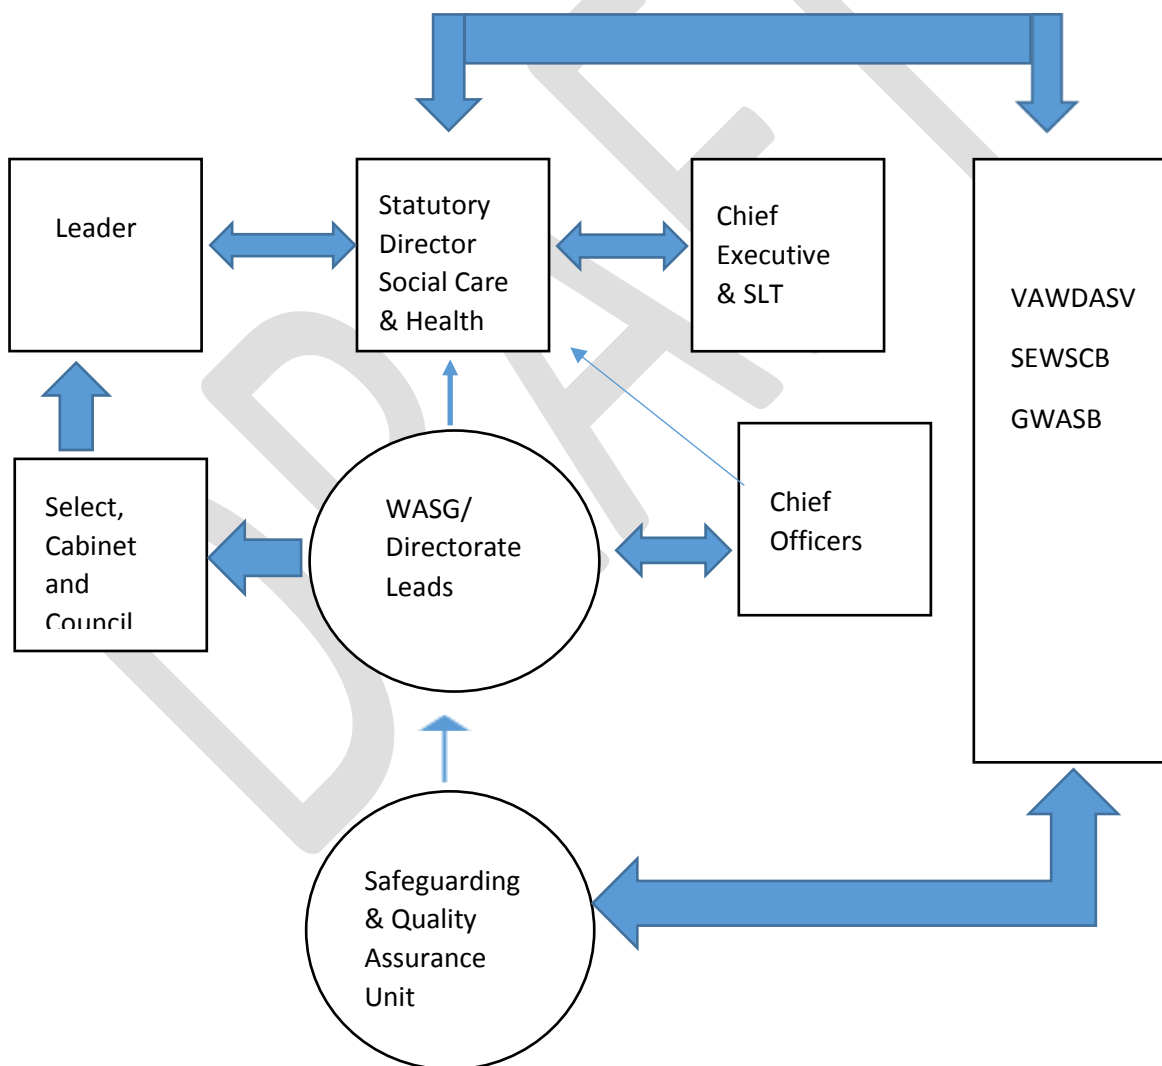

# MONMOUTHSHIRE COUNTY COUNCIL CORPORATE SAFEGUARDING POLICY

“Whilst the Council is the organisation in making enquiries to identify whether an individual is at risk of harm, or abuse, and co-ordinating a response it should be clear that Safeguarding is everyone’s business and to this end this responsibility cannot be achieved in isolation and without clear and accountable leadership.” Social Services and Wellbeing Act (Wales) 2014 (SSWA)

In the Social Services and Wellbeing Act, well-being is defined through eight aspects, one of which is protection from abuse and neglect. In relation to a child, well-being also includes their physical, intellectual, emotional, social and behavioural development; and their welfare (ensuring they are kept safe from harm).

Appendix 1 gives further related legislation, policy and guidance and key contacts within the Council.

At a corporate level, the responsibility for monitoring the effectiveness of safeguarding arrangements across the Council is delegated to the Whole Authority Safeguarding Group. Terms of Reference for the Whole Authority Safeguarding Group can be found at Appendix 4

The Whole Authority Safeguarding Group will produce a report at least annually for Senior Leadership Team, Cabinet and Scrutiny. A clear line of sight on reporting of safeguarding performance is also available through Service Improvement Plans (SIPs) which are subject to scrutiny by the Leader of the Council, Cabinet Member, Chief Executive, SLT and Policy and Performance Unit. Safeguarding information pertinent to the service area must be included in all SIPs.

The audit tool is based on legislation and is set out in sections which require service areas to critically consider their own practice, procedures, systems and culture. The SAFE includes a safeguarding action plan which enables the service area to establish a programme of activity to address any improvements indicated through the SAFE. The Safeguarding and Quality Assurance Unit will provide support and follow up review, to services in completing and delivering their SAFEs.

### (e) Volunteering

This Policy applies to all volunteers who engage with adults at risk, children and young people in their volunteering role and will be covered within the initial induction and soon after a Level 1 Safeguarding training course must be attended to raise the volunteer's awareness.

Disclosure and Barring Service (DBS) checks must be obtained by all those volunteering with or around children, young people or adults at risk. Measures will be taken to monitor volunteers' relationship with the clients throughout their involvement in any project.

References are an essential tool when assessing potential volunteers' suitability as it gives current and qualitative feedback.

### **10. PREVENTATIVE APPROACH**

One of the Council's corporate priorities is to support Monmouthshire residents to be safe, stay well and to live independently within their community. With regard to this the Council is committed to the development and commissioning of services and the implementation of community and individual well-being approaches to help meet this aim.

Services operating within the Council will be expected to respond to the needs of children and adults at risk, understand how to establish a positive culture of safeguarding and adhere to the principles of partnership working in promoting prevention and early intervention.

#### Counter Terrorism and the Risk of Radicalisation

The PREVENT Public Sector Duty came into place in July 2015. The Counter Terrorism and Securities Act 2015 places an expectation on the Council when exercising its functions, to have due regard to the need to prevent people from being drawn into terrorism. PREVENT covers all forms of extremism including Islamist extremism, Extreme Far-Right, militant, animal rights etc. The aim of PREVENT is to safeguard those who may be vulnerable to extremist influence and provide support to those who are at risk. If anybody has PREVENT concerns, they should raise with the PREVENT Lead for the Council (See Appendix 1).

Initial referrals are made via the Multi Agency Referral Process (MARF) before a PREVENT referral is submitted. Once it is ascertained that the referral is not subject to any other police investigations, a multi-agency panel known as the Channel Panel is held and a support plan is developed for the individual.

#### Child Sexual Exploitation

Child sexual exploitation is the coercion or manipulation of children and young people into taking part in sexual activities. It is a form of sexual abuse involving an exchange of some form of payment which can include money, mobile phones and other items, drugs, alcohol, a place to stay, 'protection' or affection. The vulnerability of the young person and grooming

process employed by perpetrators renders them powerless to recognise the exploitative nature of relationships and unable to give informed consent.

The Council strives to create a hostile environment to child sexual exploitation and actively works with partners to identify children at risk and prevent this form of abuse.

### **Self-Harm / Suicide**

Self-harm is the name given to any deliberate act of self-injury or behaviour intended to cause harm to someone's own body.

The Suicide and Self Harm Prevention Strategy and associated action plan builds on '*Talk to Me*' the 2009 national action plan to reduce suicide and self-harm in Wales. It sets out the strategic aims and objectives to prevent and reduce suicide and self-harm in Wales over the period 2015-2020. It identifies priority care providers to deliver action in certain priority places to the benefit of key priority people, and confirms the national and local action required.

Buddy is a support and advice website for young people living with Self Harm which has been developed by young people and professionals from the Council. Buddy provides confidential support, advice and tools and techniques to help deal with negative thoughts and feelings associated with self-harm. There is specific information for helping people within this site, as well as advice for parents and professionals

[www.buddyapp.monmouthshire.gov.uk](http://www.buddyapp.monmouthshire.gov.uk).

### **Modern Slavery / Trafficking**

Modern Day Slavery encompasses slavery, sexual exploitation, human trafficking, forced labour, and domestic servitude. Traffickers and slave masters use whatever means they have to coerce, deceive, and force the individual into a life of abuse, servitude and inhumane treatment. The Modern Slavery Act came into law in 2015 and allows the courts to pass down severe sentences on the perpetrators, and to place restrictions on people from harm. The Council has a Duty under S 52 of the Act to advise the Secretary of State of any individual who may be identified as a victim of Slavery, or Trafficking.

The Council acts in accordance with the relevant Modern Slavery and Trafficking legislation and guidance, and promotes practices to identify and safeguard victims of these crimes, and ensure transparency of supply chains.

Training and Victim Support regarding Modern Slavery can be found at BAWSO [www.bawso.org.uk](http://www.bawso.org.uk).

### **Violence Against Women, Domestic Abuse and Sexual Violence (VAWDASV)**

Domestic Abuse is recognised to impact both adults and children and can have life changing effects. The VAWDASV Act (Wales) 2015 aim's to improve arrangements for the prevention of gender based violence, abuse, and sexual violence. The Act requires the Council to train all staff in a principle based approach to targeted enquiry for these issues

across the Public Service known as “Ask and Act” in order to signpost victims and potential victims to support services. The regional VAWDSV board has also prioritised a “whole school approach” to training and support in order to continue a preventative agenda to domestic abuse.

### **11. ROBUST PROTECTION**

#### **(a) Child Protection**

Child Protection is an essential part of safeguarding and promoting welfare, it refers to the activity which is undertaken to protect children who are suffering, or at risk of suffering significant harm, as a result of abuse or neglect.

The categories of abuse recognised within Child Protection are

- Physical Abuse
- Sexual Abuse
- Emotional Abuse
- Neglect

The definitions of categories of abuse are outlined in Appendix 7

The primary legislation and guidance which shape’s Child Protection Practice and Procedures is:

- Children Act 1989
- Children Act 2004
- All Wales Child Protection Procedures 2008
- Social Services and Wellbeing Act (Wales) 2014

Whilst Statutory Social Service’s Departments are the Lead Agency in Child Protection matters, there is a wider duty on all agency’s to work together to protect and safeguard children.

#### **(b) Adult Protection**

Adult Safeguarding is on a statutory basis from April 2014 when SSWBA which came into force. The drafting and ratification of SSWBA compliant all-Wales policy, procedure and guidance is not yet complete. Adult Safeguarding is shaped, and informed by the “All Wales Interim Policy and Procedures for the Protection of Vulnerable Adult’s” in a modified form.

The SSWBA refers to an ‘adult at risk from abuse or neglect’ which is defined as an adult who:

- Is experiencing or is at risk of abuse or neglect,
- Has needs for care and support (whether or not the authority is meeting any of those needs), and
- As a result of those needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

This applies to all adults within the County boundary whether or not they are ordinarily resident. Adult safeguarding also needs to take into account the capacity of adults to make decisions in accordance with the Mental Capacity Act. If an adult is deemed to have

## **MONMOUTHSHIRE COUNTY COUNCIL** **CORPORATE SAFEGUARDING POLICY**

capacity, then consent must be sought for the safeguarding process. The only exception to this is when an alleged abuser is a potential risk to other vulnerable people.

The Act also places a 'duty to report' on all staff to report actual or suspected abuse or neglect of both adults and children deemed to be at risk and provides for the use of Adult Protection Safeguarding Orders (APSO) via a Magistrate to allow Designated Officers to enter a premises where it is suspected an adult is at risk and speak to them alone to establish if they are safe

Appendix 8 sets out a flowchart outlining Adults referral process

### (c) Allegations or Concerns against adults who work with children and adults at risk

Allegations or concerns in regard to adults working with children and/ or adults at risk must be referred and investigated in a fair, timely and consistently in order to effectively protect those at risk.

Policy and guidance which clarifies Council staff member's duty to report concerns relating to other staff members, professional, and volunteers, and offers support to this process includes:

- All Wales Child Protection Procedures;
- Wales Interim Policy and Procedures for the Protection of Vulnerable Adults from Abuse;
- The Council's Whistle Blowing Policy (See Section 8)

The sharing of information must be sensitively handled and be restricted to those agencies who have a need to know in order to:

- Protect adults and children;
- Facilitate enquiries;
- Manage disciplinary and/ or complaint's aspects.

On the completion of the investigation, should an individual be dismissed or removed from working with children or vulnerable adult's (in a Regulated Activity) the Council has a Duty to refer the individual to the DBS (Safeguarding Vulnerable Group's Act 2006). Equally the Council has an obligation to refer certain information about employee's conduct and matter's relating to safeguarding to professional regulatory bodies.

### (d) Professional Strategy Meetings

All Professional Strategy Meetings for children and adults at risk will be convened and chaired by the Safeguarding and Quality Assurance Unit in accordance with regional guidance.

## **12. SAFE SERVICES**

### (a) Commissioning Arrangements

Any new service provider commissioned to support children or adults at risk will be required to undergo an accreditation process. The accreditation process is designed to ensure that the service is fit for purpose and has the necessary arrangements in place to

## **MONMOUTHSHIRE COUNTY COUNCIL** **CORPORATE SAFEGUARDING POLICY**

safeguard those it is supporting and deliver a quality service. As part of the accreditation process checks will be made with local hosting authorities, regulating bodies as well as financial enquires. Providers will be required to provide information confirming their safeguarding policy and procedures.

Contractor monitoring activity either, planned or unplanned, will include stratifying the Council that the provider is managing their responsibilities in regard to safeguarding and are operating in line with legislation, policy and procedures Where required confirmation will be sought of the services performance regarding safe recruitment practices, DBS checking and safeguarding referrals.

### **(b) Lettings and Hiring**

With almost all casual lettings the Council will not be contracting the services of hirers. It is nonetheless allowing its premises to be used for activities that may involve children, young people or adults at risk.

Therefore Managers have a duty to ensure, as far as is reasonable, that these activities also comply with safeguarding responsibilities. Members of the public may reasonably assume that because an activity is taking place within a Council setting, the Council has had due regard to safeguarding in entering into the arrangement.

In allowing use of council premises, the onus must remain upon the hirer to ensure that safeguarding measures are maintained throughout. This is something that organisations are made aware of under safeguarding legislation and through their own organisational governing body, if applicable.

Managers should request to see and retain copies of relevant safeguarding documentation as proof that hirers and their staff comply with such measures on receipt of applications.

Managers must also consider reporting any concerns about an individual's suitability to work with children, young people and adults at risk to Children's/ Adults Services

In the case of 'one off' children's events, for example, a private birthday party, safeguarding legislation exempts such uses from the processes mentioned above but nonetheless this policy requires managers to be able to properly demonstrate due regard to safeguarding risks in agreeing any hiring arrangements.

### **Monmouthshire Homeseach - Housing Register**

The Council's Housing Register, known as Monmouthshire Homeseach, is a partnership between the Council and local housing associations. Monmouthshire Homeseach is common housing register and a joint allocations policy. The Housing Register, a legal responsibility of the Council, determines the priority and procedure for the allocation of housing accommodation in Monmouthshire. The Housing Register policy supports and contributes to the Council's Safeguarding Policy through the following

**Special Management Lettings** - There may be exceptional circumstances where the only way an exceptionally urgent housing need can be resolved is through the use of management discretion. There is the ability in very urgent cases for MHR Operational Sub Group to exercise discretion. In the interests of fairness to all applicants these circumstances are kept to an absolute minimum. Such cases may include the following

## **MONMOUTHSHIRE COUNTY COUNCIL** **CORPORATE SAFEGUARDING POLICY**

circumstances: an applicant has an exceptional need that is not covered by the allocation scheme, for example, where Child or Public Protection issues require urgent rehousing.

Serious Offenders – Monmouthshire Homeseach will seek to minimise the risk to the community and the applicant where individuals are considered to pose a risk to themselves and/or others (even where an individual has not been convicted of an offence). Monmouthshire Homeseach (through the Council's Housing Options Team) will work with the Police and Probation Services to assess and manage risk and will apply special arrangements where cases are referred through the Multi-Agency Public Protection panel (MAPPA) or any protocol with Probation Services Officers. This may result in restrictions being placed upon the applicant in their choice of property or area, or a direct offer of suitable accommodation being made.

Information Sharing - Information may be shared about individuals and their history irrespective of whether their consent has been obtained in exceptional circumstances. This will be in accordance with the provisions of the Crime and Disorder Act 1998 (Section 115). This includes where there is a need to safe-guard children and address child protection issues or vulnerable adults.

### (c) Licensing

With effect from 1<sup>st</sup> April 2016 all new and existing Licensed Hackney Carriage, Private Hire Drivers, Proprietors and Operators must undergo Safeguarding of children young people and adults at risk training before obtaining a licence from the Council.

All staff within the Licensing Section should undertake safeguarding training to enable them to work with the taxi trade to gather information to safeguard children young people and adults at risk and be able to share relevant information with Police and Social Services.

Whilst the Council is unable to insist on safeguarding training as part of the condition of a licence with the alcohol and entertainment industry Licensing will continue to work with the Police to provide free training to those working in the industry and continue to improve information sharing.

The Council will continue to work with traders who require licenses e.g. takeaway outlets to provide assistance on how to recognise possible safeguarding issues.

### (e) Education Establishments

#### Roles and Responsibilities in Schools

##### (i) The role of the Governing Body in Maintained Schools in Monmouthshire

Governing bodies of maintained schools, governing bodies (Corporations) of FE institutions, and proprietors of independent schools in Monmouthshire should ensure that their respective organisations: (See in Keeping learners safe - The role of local authorities, governing bodies and proprietors of independent schools under the Education Act 2002 2.21)

- Have effective child protection policies and procedures in place that are:
  - In accordance with local authority guidance and locally agreed interagency procedures

## **MONMOUTHSHIRE COUNTY COUNCIL** **CORPORATE SAFEGUARDING POLICY**

- Inclusive of services that extend beyond the school day (e.g. boarding accommodation, community activities on school premises, etc.)
- Reviewed at least annually
- Made available to parents or carers on request
- Provided in a format appropriate to the understanding of children, particularly where schools cater for children with additional needs
- Operate safe recruitment procedures that take account of the need to safeguard children and young people, including arrangements to ensure that all appropriate checks are carried out on new staff and unsupervised volunteers who will work with children, including relevant DBS checks
- Ensure that the head teacher/principal and all other permanent staff and volunteers who work with children undertake appropriate training to equip them with the knowledge and skills that are necessary to carry out their responsibilities for child protection effectively, which is kept up-to date by refresher training
- Give clear guidance to temporary staff and volunteers providing cover during short-term absences and who will be working with children and young people on the organisation's arrangements for child protection and their responsibilities
- Ensure that the governing body/proprietor remedies without delay any deficiencies or weaknesses in regard to child protection arrangements that are brought to its attention
- Ensure that the designated senior person (DSP) for child protection, the designated governor and the chair of governors undertakes training in inter-agency working that is provided by, or to standards agreed by, the Safeguarding Children Board and refresher training to keep their knowledge and skills up to date, in addition to basic child protection training.

### (ii) Additional responsibilities of community Focussed Schools, Pre and Post School Learning and Out of Hours Learning Providers in Monmouthshire.

The governing body of a school controls the use of the school premises both during and outside school hours, except where a trust deed allows a person other than the governing body to control the use of the premises, or a transfer of control agreement has been made. Governing bodies can enter into transfer of control agreements in order to share control of the school premises with another body, or transfer control to it. The other body, known as the "controlling body", will control the occupation and use of the premises during the times specified in the agreement.

Transferring control of the premises to local community groups, sports associations and service providers can enable school facilities to be used without needing ongoing management or administrative time from school staff.

Where the governing body provides services or activities directly under the supervision or management of school staff, the school's arrangements for child protection will apply. Where services or activities are provided separately by another body, the governing body must confirm that the body concerned has appropriate policies and procedures in place in regard to safeguarding children and child protection and there are arrangements to liaise with the school on these matters where appropriate.

### (iii) Responsibilities of Head teachers

Head teachers and principals of all schools should ensure that all staff (including supply teachers and volunteers):

## **MONMOUTHSHIRE COUNTY COUNCIL** **CORPORATE SAFEGUARDING POLICY**

- Are aware of child protection policies and procedures adopted by the governing body or proprietor are fully implemented and followed by all staff
- Can access sufficient resources and time to enable them to discharge their responsibilities, including taking part in strategy discussions and other inter-agency meetings, and contributing to the assessment of children
- Understand the procedures for safeguarding children, and feel able to, raise concerns about poor or unsafe practice and that such concerns are addressed sensitively and effectively in a timely manner in accordance with agreed Welsh Government Procedures for Whistleblowing in Schools and Model Policy
- As part of their induction, are given a written statement about the school's policy and procedures, and the name and contact details of the DSP for child protection when they start work in a new establishment

### (iv) Role of the Designated Person in Schools

The designated senior person for safeguarding in Monmouthshire fulfils an essential role in developing and implementing policies that help to safeguard adults and children from all forms of abuse and create a safe environment.

(For schools please also refer to Keeping Learners Safe 2:6)

Each setting should identify a Designated Senior Person (DSP) with lead responsibility for managing adult and child protection and safeguarding issues and cases.

The DSP should know how to recognise and identify the signs of abuse and neglect and know when it is appropriate to make a referral to the relevant investigating agencies.

The role involves providing advice and support to other staff, making referrals to and liaising and working with other agencies as necessary. The DSP role is not to investigate allegations, but they must keep the head teacher informed of all adult/child protection issues in the establishment.

The DSP must be a senior officer at the setting or part of the senior leadership team with the status and authority within the organisation to carry out the duties of the post, including committing resources to child protection matters, and where appropriate directing other staff. Dealing with individual cases may be a responsibility of other staff members, but it is important that a senior member of staff takes responsibility for this area of work.

In many schools and settings a single designated person will be sufficient, but a deputy should be available to act in their absence. In establishments which are organised on different sites or with separate management structures, there should be a designated person for each part or site. In large organisations, or those with a large number of adult/child protection concerns, it may be necessary to have a number of deputies to deal with the responsibilities.

The establishment must also make arrangements to cover the role of the DSP when that person is unavailable. In many cases, there will be a deputy DSP in place and larger schools may have a team of staff working together.

The DSP does not have to be an expert in the area of adult/child protection but will take responsibility for the establishment's adult/child protection practice, policy, procedures

## **MONMOUTHSHIRE COUNTY COUNCIL** **CORPORATE SAFEGUARDING POLICY**

and professional development working with other agencies as necessary. The head teacher should ensure that the DSP:

- is given sufficient time and resources to carry out the role effectively, which should be explicitly defined in the post holder's job description
- has access to required levels of training and support to undertake the role, has time to attend and provide reports and advice to case conferences and other interagency meetings as required.

### **(v) Referrals**

The DSP should act as a point of contact and a source of support, advice and expertise within the setting establishment when deciding whether to make a referral by liaising with relevant agencies.

The DSP is responsible for making referrals about allegations of suspected abuse to the relevant investigating agencies. Where these relate to cases of suspected abuse or allegations of abuse against staff or volunteers, the process for referral and enquiries is set out in the relevant procedures

DSPs have a responsibility to ensure that:

- The Duty Officer (children's social care) contact details for the originating authorities of all service users are sourced and displayed in an area which is accessible to all staff;
- In the event of a safeguarding concern a referral is made both to the duty officer in the person's home authority and to the Monmouthshire duty officer.
- In the event of an allegation against a professional the Safeguarding and Quality assurance Unit is informed at the same time as the above referral/s.

### **(vi) Role of Independent Settings and Residential Establishments**

Proprietors of residential and/or independent settings should ensure that:

- They comply with the requirements of their regulatory body
- They fulfil all responsibilities for safeguarding adults and children (including those at risk).

### **(vii) The Role of the Manager of Early Years Settings/ Nurseries/ Playgroups/ Before & After School Care Settings**

Managers of Early Years Settings and all partner agencies in Monmouthshire providing services for children should:

- Act as or appoint a DSP to take the lead role in safeguarding and protecting the children in their care.
- Ensure that they have an up to date Safeguarding/child protection policy and procedures which have been adopted by the proprietor/managing body and are fully implemented and followed by all staff;
- Ensure that sufficient resources and time are allocated to enable the designated person and other staff to discharge their responsibilities including taking part in strategy discussions and other inter-agency meetings, and contributing to the assessment of children; and

**MONMOUTHSHIRE COUNTY COUNCIL**  
**CORPORATE SAFEGUARDING POLICY**

- All staff and volunteers understand the procedures for and are supported in raising concerns with regard to children in their care

#### **MONMOUTHSHIRE SAFEGUARDING AUDIT FRAMEWORK for EVALUATION**

In accordance with Monmouthshire's Safeguarding Policy, all organisations that provide services for or work with adults at risk, children, young people and families are expected to carry out an audit of their safeguarding practices, based on a process of self-evaluation.

The following audit framework is set out in sections related to different standards and requires you to think about your own practices and procedures within your setting. It is designed to give you an understanding of safeguarding in your own service area/ establishment and how these might be developed. In addition the audits provide Monmouthshire County Council with an overview of safeguarding practices across the county.

The audit tool is based on Social Services and Wellbeing Act 2014.

#### **Please undertake the following audit and return it to the named officer below for your Directorate:**

Bernard Boniface, Adult Safeguarding Manager (Adult Services) [bernardboniface@monmouthshire.gov.uk](mailto:bernardboniface@monmouthshire.gov.uk).

### **Definitions of Abuse**

#### **Physical abuse**

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child.

Physical harm may also be caused when a parent or caregiver fabricates or induces illness in a child whom they are looking after.

#### **Emotional abuse**

Emotional abuse is the persistent emotional ill treatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate or valued only in so far as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on children. It may involve causing children frequently to feel frightened or in danger, for example by witnessing domestic abuse within the home or being bullied, or, the exploitation or corruption of children. Some level of emotional abuse is involved in all types of ill treatment of a child, though it may occur alone.

#### **Sexual abuse**

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative or non-penetrative acts. They may include non-contact activities, such as involving children in looking at, or in the production of, pornographic material or watching sexual activities, or encouraging children to behave in sexually inappropriate ways.

#### **Neglect**

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. It may involve a parent or caregiver failing to provide adequate food, shelter and clothing, failing to protect a child from physical harm or danger, or the failure to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

In addition, neglect may occur during pregnancy as a result of maternal substance misuse.

#### **Financial Abuse**

Financial or material abuse is any theft or misuse of a person's money, property or resources by a person in a position of, or expectation of, trust to a vulnerable person. Common forms of financial abuse are misuse by others of a vulnerable adult's state benefits or undue pressure to change wills. Financial/material abuse may also be perpetrated by one vulnerable adult upon another.
